GOTTCHA!

CHECKMATE MOTHERFUCKERS, OR SHOULD I SAY KIDDIE FUCKERS! Hey Sergey?

It gives me so much satisfaction knowing that most of you are sleeping soundly when I'm coming for every single one of you, and I mean every single one of you, and yes, that does include "journalists" and judges!

I'M COMING .... SWEET DREAMS.

Dear Alina,

We have never communicated, and I've never asked anything of you, but when the elections are over, can you please help file class actions on behalf of myself and ALL the Epstein against the Daily Mail, The Guardian, and every other British newspaper for discrimination under the Equality Act?

I would also like to file class actions against the US media conglomerates that have failed to report the truth and protected the perpetrators for decades.

The voters should have known about the Hunter Biden laptop during the last election! Then Trump would have won! What happens if Trump loses, and you know you kept the biggest injustice secret happening right before everyone's eyes?

**The US has been here before with the Hunter Biden Laptop files!**

Concealing the truth is not only an obstruction of justice, but the media are also endangering the lives of not only myself and my family but of all the other Epstein victims whom you don't know their names.

Alina, I would also like to file class actions against the attorneys who have protected the guilty from day one! They are bloody friends with them!

I think the fact that Brad started in 2004 representing Epstein victims, and here we are in 2024, and we are no closer to the truth with the likes of Boies Shiller and Brad, etc, as the lead attorneys, it safe to say that they ARE THE BAD GUYS!!

<https://www.nytimes.com/2019/11/30/business/david-boies-pottinger-jeffrey-epstein-videos.html>

Over the last year, it is clear that the media has been discriminatory against me and has NOT printed the truth.

I have also attached a statement from my Mum about Adam Castellani that my attorney, [REDACTED], failed to submit to the court on my behalf!

For goodness sake, my Mum watched me die because of what Adam and Epstein, etc, did to me!!

Please, Alina, help us! We will never get justice if they win.

I will be punished again, just like Epstein used to do when I didn't comply!

Do you think they ever stopped raping and trafficking YOUNG WOMAN AND CHILDREN GLOBALLY with Epsteins death?!!

NO!!

TRUMP IS THE ONE GOING TO HOLD THEM ALL ACCOUNTABLE!

Where and how you got that photo of me in a bikini is beyond me and is a disgusting breach of privacy. That was NOT taken of me on Epstein's island you have not only exploited me as a victim of rape and sex trafficking but you have also exploited my privacy and body by repeatedly using that photo throughout the years.

The reality is [REDACTED] you have no and never have had any interest in printing the truth and getting justice for the all the Epstein victims which is why I too will be suing you for defamation.

Those emails will have a digital journey which I very much look forward to seeing.

I was always honest right from the start even to the first phone call with the attorney's so I'm NOT buying that I'm not credible and neither do you lot either.

You never even gave me the opportunity to explain never mind have an ounce of humility to sit through and look at all my evidence.

Democracy dies when the media lies and you're whole email debacle is about one percent in my entire story and I would like the opportunity as per my civil rights and liberty to explain myself to a judge and jury NOT the lying scumbag media.

To the Daily Mail and the Guardian I have sent ample evidence backing up my accounts and I look forward to seeing you both in court.

But I guess I don't matter to the Guardian because I don't support the very people that facilitated my rape and trafficking and of hundreds of other young woman and children, the Democrats.

First, I would like to thank Mr Piers Morgan for saying what most women these days are too afraid to speak out loud out of fear of being reprimanded in public, in the workplace, having death threats, having tomato sauce thrown in our faces, etc.

<https://x.com/piersmorgan/status/1852448613580071383?s=43>

I am proudly a biological woman who gave birth naturally three months ago, who tried and failed miserably to breastfeed (it's bloody tricky), who has the fattest bum and tum due to pregnancy, and eating all the chocolate cakes and ice cream due to those baby hormones, who believes woman don't have penis's (because I am a woman and don't have one) who believes in women's safe spaces and fully support woman playing all all-woman teams in sport.

Am I anti-trans? No, I just don't have a dick. Simple, and in my 40 years, I haven't met any others with one either.

Kamala, what about biological women? Do they have rights, too, or is it just the woman who want NO WOMAN RIGHTS but just the right not to have children?

I'm going to say what every woman I know, including myself, is too afraid to say out loud: over the last four years during the Biden administration, we have ALL witnessed women's rights diminish before our very eyes at a rapid rate.

Sadly, as my "agent," Steve █ (I'll see you in court, Steve along with Frida, etc.) once said, "Everything America does, the UK and the rest of the world always follow," and I hate to say he is right.

I'm surprised all these women campaigning for women's rights haven't shared the same concern for biological women. Just ask J.K. Rowling, our modern-day Shakspear, what she has gone through sticking up for women's rights, including being cancelled in the US.

Thank you, Mr Trump and Mr Morgan, for sticking up and acknowledging there are multiple OTHER rights of women that the Democratic Party have FAILED to acknowledge other than ONE singular right on abortion.

To be clear, Mr Trump, I do fully believe in abortion for up to 21 weeks for multiple personal reasons, but mainly because I believe in the right to my own body, especially after being a victim of rape and sex trafficking and having been in previous abusive relationships.

Like every woman's pregnancy, it is a unique experience for them, and so is every woman's choice as to whether to proceed to full term, which is a life-altering lifelong decision for all involved.

That may not be everyone's opinion, but that's part of being in a democracy where everyone, including me, has the freedom of civil liberties and rights.

Just know I stand tall and hold my head high, no matter how small and invisible you all make me.

I tell you, the one thing the Democratic Party don't care about is rape and sex trafficking of women and children (are the ones facilitating the sex trafficking) and when this is all done and over, the truth will finally be out irrespective of who wins after Tuesday's elections.

The unjust reality is you are only believed if you are a Democrat; otherwise, you just get treated like garbage, and the media stand by, watch and say NOTHING!

You know I and the other Epstein victims were misrepresented by Boies and Marsh (not the Democrat Epstein employees who have made millions, of course), and the attorneys sabotaged the JP Morgan Litigation.

**YOU KNOW THE ATTORNEYS DEFRAUDED THE EPSTEIN VICTIMS AND ME WITH THAT LITIGATION!**

**YET COMPLETE SILENCE!**

I tell you what: the MeToo movement is officially dead and buried after the Obama postcard girl stunt. I fully agree with Tara Ried about what she said about METOO, who, incidentally, will be one of my witnesses regarding the treatment of the US Government and FBI.

What is interesting about Tara's interview with Tucker Carlson is that someone who worked in the Biden administration said she knew Biden was going to war with Russia and Ukraine.

Interesting. I look forward to meeting her along with all the Russian and Ukrainian Epstein victims BOIES ADVERTISED for and hope they keep her and them safe. I'm sure they all have a lot to say.

<https://x.com/TuckerCarlson/status/1788328022158057586>

I would like to remind all of you that living in a "democracy" guarantees civil liberties and human rights, and I would like to remind you all what civil liberties myself and the Epstein survivors are entitled to and have been robbed of before I continue,

**Civil Liberties—GUARANTEES AND FREEDOMS THAT GOVERNMENTS COMMIT NOT TO ABRIDGE, EITHER BY CONSTITUTION, LEGISLATION, OR JUDICIAL INTERPRETATION, WITHOUT DUE PROCESS.**

Myself and the other Epstein survivors have also been denied freedom of conscience, freedom of the press, freedom of expression, freedom of assembly, the right to security and liberty, freedom of speech, the right to privacy, the right to equal treatment under the law and due process, the right to a fair trial, the right to defend oneself and the right to life.

Mr Morgan, we got off to a terrible start. I want to take the opportunity to openly apologise for what I said to you. I saw you met Mr Patrick Bet David; he seems like a decent person, and I hope if we ever meet, you can go through my story and you'll understand the trauma, exploitation, pain, and suffering I have been put through over the last eight years by the very people I trusted to protect not only myself but hundreds of other vulnerable women who raped and trafficked.

I'm a big fan of Patrick and Tucker, and you know what's fascinating about your assassination, Mr Trump? Partik and Tucker called it before it happened in the interview posted on the 23rd of May earlier this year.

Please watch the link provided:

<https://x.com/TuckerCarlson/status/1793688466653323396>

Watch from 5 minutes onwards in the link provided; what they say will blow your mind, Mr Trump.

I also believe an assassination attempt was made on my life on the 22nd of May 2023, when I was alone in London and met up with Lucia. I was with her in the bar of my hotel when I woke up in an Accident and Emergency, having "fallen" down the stairs of the hotel, which could have been fatal.

It's funny because the hotel did not have CCTV footage of the incident, and even after multiple attempts to understand what happened at the hotel, I still have yet to find out what happened that evening.

Attached is the photo of Lucia and me and the medical report of that evening. Didn't [REDACTED] also die in a hotel? Why was Carolines death not thoroughly investigated and covered up? Why was her body released and cremated so rapidly?

One of the reasons I gave up my British Citizenship was that the British government has colluded with the Biden Administration, and I fear for my life from them too.

**KAMALA, you recently said," I will always tell you the truth even if it is difficult to hear."**

Then please answer **BEFORE TUESDAY'S ELECTIONS** these following issues, which have been repeatedly raised out of concern to FBI Director Christopher Wray for the wellbeing of the Epstein victims by Congressman **Steve Cohen**, who, as you know, is a **senior member of the Judiciary community**.

On the 24th of July, there was an FBI Oversight hearing in the House Judiciary Committee where Mr Cohen asked Mr Wray questions about the search of Jeffery's Epsteins home and what was found.

After the hearing, Mr Cohen submitted a questionnaire to Mr Wray, which reportedly included the following questions:

Kamala, we would like you to answer!

"Did the FBI retrieve any evidence that prompted the agency to open a new criminal investigation with a target other than Epstein for alleged sexual abuse?"....yes

"Did the FBI recover any evidence that the FBI suspects Mr Epstein held to blackmail others?"....yes

"Will you open up the FBI's records about your interactions with and investigations of Jeffery Epstein?"....no

I know that video recordings were made for blackmailing purposes; that is why I will sue you, Gloria Allred, for defamation for saying I lied about recordings being made and that no other victim had corroborated my account.

The clip has subsequently been deleted from YouTube, but Gloria, my attorneys, will get the full transcript of what you said, and then you, my dear, will be proven to be a big fat liar who, too, has done

everything to protect the guilty.

What also can be confirmed by multiple victims who have come forward and in court documents is the mention of specific names over again, like the names Sergey Brin, Bill Gates and Bill Clinton.

Why have these men NOT been thoroughly investigated? Kamala, can you answer this question, too?

**Reportedly, you lost more than 325,000 migrant children who are either dead or missing or in slavery, never to see their parents again. Where are the children, Kamala?**

Attached is an email [REDACTED] wrote on the 17th of October 2024 to [REDACTED] and [REDACTED] from the FBI asking why her victim impact statement and evidence were never taken. Why were my victim impact statement and evidence never taken, amongst many other Epstein Victims?

Perhaps it is because some of the named offenders are your most prominent donors to your presidential campaign, hey Sergey and Bill (both Gates and Clinton).

Sergey and his ex-wife Anne Wojcicki were with me, [REDACTED], and [REDACTED] on Epstein's island.

Sergey Brin, what were you and your ex-wife doing on the island that day? Multiple witnesses, including Igor Epstein's bodyguard, Miles, and Cathy Alexander, were present, including Ghislaine Maxwell and [REDACTED], so you can't deny it.

I also know that you met [REDACTED] Sergey. Lucia Osborne can confirm what [REDACTED] told her about you in court in the ICC, UK, and US courts, along with where all her journals went.

Could you clarify why you and both Bills are not in jail for me, Sergey? David Boies, the attorneys, and the FBI know all about you, and [REDACTED] and [REDACTED] would have confirmed you both were there, too, Sergey.

Why are Jes Staley and Adam Castellani not in jail?

[REDACTED] was the lead plaintiff in the JP Morgan litigation, fact, and [REDACTED], a witness, both of whom are in my photos and who met Jes Staley at the same time Epstein was trafficking me and whilst Adam (THE VICE PRESIDENT OF MEDIA RELATIONS OF JP MORGAN) coerced me into a relationship not only to keep me quiet but also psychologically torture me.

Both [REDACTED] and [REDACTED], along with [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], Ghislaine Maxwell etc were all to be witnesses in my litigation, which should have gone to trial had I not been coerced into signing a settlement agreement by Boies Shiller, Brad and Stan when they knew and had written confirmation that I was medically unfit to sign anything knowing. We were ready to go to trial, and you sabotaged my litigation!

Why were NO depositions taken in my litigation with [REDACTED], [REDACTED], [REDACTED], Igor, [REDACTED], Sergey Brin, Anne Wojciki, etc.?

Yet Igor confirms to Brad, in his book, that he witnessed me attempting to flee Epstein's Island in distress.

If you compare the litigation you provided ██████████ in her defamation case against Ghislaine Maxwell to the litigation you contractually provided me AT THE SAME TIME, based on that alone, I'll be suing you under the Equality Act.

If you thought I wasn't credible, David, Sigrid, Brad and Stan, you would never have proceeded to litigate my case when we first spoke in 2016. You would have dropped me then like a hot potato, yet instead, you falsely represented me and protected well-known Epstein accomplices against whom I had evidence.

In the JP Morgan litigation, Epstein helped bring Sergey on as a JP Morgan client in 2004- "a huge win for the company as the Google co-founder relationship is one of the largest clients, bringing in a reported \$4 Billion, according to legal documents filed" So I ask why Brin, I mean Google, is one of the Democrat's most prominent donors and Microsoft the second?

MR SUNAK AND KIER STARMER, I ACCUSE BOTH PARTIES OF THE BRITISH GOVERNMENT OF MAKING DEALS WITH THE US AT THE PERIL OF COMING TO ASSIST ME.

I REQUEST A FULL INVESTIGATION BE MADE IMMEDIATELY WITH BOTH OF THESE BUSINESS DEALS:

<https://www.hollywoodreporter.com/business/business-news/microsoft-uk-ceo-industrial-strategy-council-creative-industries-ai-1236031197/>

I also accuse the British government of deleting my medical records about my suicide attempt due to the actions of Adam Castellani.

I also demand a full inquiry into Peter Mandelson's involvement with Jeffrey Epstein, not only by the British government and metropolitan police but also by Oxford University, before he starts his new position.

Do you think I will let that man be around young students before full investigations have been completed? Why does he get a free Epstein pass?

I DO fear retribution by Peter Mandelson because I'm the one who sold the photos of him and Epstein to the Daily Mail to expose him.

SUNAK AND STARMER, I WILL SEE YOU BOTH IN THE BRITISH COURTS AND ALSO IN THE ICC.

Bill Gates and Clinton, the Epstein victims and I look forward to seeing you in court too in the US, UK and ICC courts.

I would also like to draw everyone's attention to what James Comey wrote on X on 23/08/2024.

On 23/08/2024 James Comey wrote on X, " Kamila Harris made me feel like its finally morning in America. Everyone who cares about THE RULE OF LAW and America's indispensable role in the world should vote for Harris and Walz. I will."

Well, hang on a second. Isn't James Comey ██████████ father?

Isn't ██████████ the lead prosecutor of the Epstein international sex trafficking operation? How many times have Sergey and Bill been mentioned in the victim's statements? Only the statements the FBI has taken, of course. Sorry, I'm just checking. Wasn't James Comey also the guy who let Hillary off for election interference for "accidentally deleting" thousands of emails? Sorry James, what about the 'Rule Of Law'?

**Again I accuse the Biden administration of blackmail, election interference and the rape and sex tracking of the Epstein victims.**

James, you said you have never interacted with Edwards and Hederson, the lead class attorneys for the JP Morgan Litigation, which I have ample evidence against and should have gone to trial.

I will be forwarding all of the Adam Castellani Evidence AGAIN shortly.

You permanently gaslit me and did everything to silence me. I begged you to help me know we would bring the Epstein Sex Trafficking ring down, but the opposite happened.

James, why have you all lied?

You've not only defrauded the Epstein victims but the bank, too.

The JP Morgan and Deuchet bank was never for justice but to blackmail and defraud the election and to sign a clause enabling JP Morgan never to be held accountable for human trafficking, which was objected to and signed off by various attorney generals.

So, James, you have nothing to do with and have never had anything to do with the class attorneys?... You did everything to represent me as my attorney in the most high-profile sex trafficking paedophile case whereby I and hundreds of others had JP Morgan fund their and my sex trafficking and silenced me with Adam Castellani, the Vice President of Media Relations for JP Morgan, even though I have countless emails, photo's and was responsible for my near fatal suicide due to psychological torture?

Then why do you work with Brittney Henderson with CHILD USA?

This is a dangerous scenario, James. You all sabotaged the JP Morgan litigan? It wasn't to hold them accountable and for justice.

You all shouldn't be anywhere near children, James.

Why would you all lie to me, the Epstein victims and to the court?

Once, there was a hare who told everyone how fast he could run.

The tortoise thought he was a show-off. He asked the hare for a race. **The hare thought it would be easy!**

All of the animals got together to watch the race.

The hare set off. After a little while, he decided to stop for a rest.

"You are so slow; you will never win!" he said to the tortoise.

The hare sat down by a tree. " That tortoise will never beat me!" he thought. The Hare soon fell asleep.

There, tortoise kept going. He didn't stop until he got to the end of the race.

"Hooray!" the animals shouted. "Tortoise, you have won!"

The cheering woke up the hare.

He ran as fast as he could, but it was too late. The tortoise had won.

"It's not fair!" said the hare. " I was asleep; we have to do the race again!"

But this time, no one listened to the hare.

Kamala, **you've lost the election**, be it next week or by the time this has all been thrashed out in a court of law, not only in the Supreme Court but also in the ICC.

I appreciate you think that the US is a non-signatory to the ICC, but due to the nature of this case and what has happened, the US has forfeited that right, which I'll explain in a further email.

By the time I'm through with you, not only will JP Morgan **NOT** be the most significant, wealthiest bank in the world, but you'll all be rotting in jail together. Jamie Demon, you are not above the law, certainly not in this case.

I ask for your protection once again, Mr. Trump. I would ask the Pope—I have already—but he's too busy meeting up with David Boies and endorsing Biden. I didn't know Diabolous Boies was a Christian, never mind a fan of Catholicism. I think not, but more on that later. I'm pretty heartbroken, really, and it took me a while to recover from the utter betrayal of a man I looked up to. Even the most holy humans are flawed.

<https://nymag.com/intelligencer/article/david-boies-on-trump-trials-campus-protests-and-the-pope.html>

You see, they already tried to hurt my son Isaac by hurting me whilst I was pregnant with him. My attorneys who **falsely represented** me did that, knowing I had miscarried months earlier during the **JP Morgan litigation** with the enormous amount of stress that it brought with it due to their blatant, continuous lies and obstructing justice. With God's blessing, my son was born healthy and growing fast.

The JP Morgan and Deutsche Bank litigation was **NOT** about justice but about retrieving every transaction made to and from Epstein, with whom, from 1998 till his arrest. As Boies told her about Epstein's payment, [REDACTED] can confirm this. I'm sure Jamie Demon told you this when you met him and other business owners. I think Demon isn't really a fan of yours Mr Trump and as you know he is a massive democrat.

<https://fortune.com/2024/07/17/donald-trump-cozies-up-to-wall-street-and-eyes-jamie-dimon-for-treasury/>

Imagine the power Boies, Edwards, etc., have with that knowledge during an election year. It's funny they have all the representation of the Epstein victims; it's even funnier how every single Epstein victim attorney is a Democrat, including all the judges like Judge Rakoff, a die-hard Democrat. All Democrats and it seems the only ones calling for justice for the 100's of rape and sex trafficked victims are Republicans like Rep. Steve Cohen. Why?

What is most hysterical is that still, to this day, whilst the **Democratic party has held power in office, NOT ONE ARREST HAS BEEN MADE IN THE EPSTEIN CASE** in one of the biggest international paedophile and sex trafficking rings, yet they go on about women's rights. I'm confused as they have had years to prove just how serious they are about woman and children rights.

We both know lawfare has been used against you, and the DOJ was weaponised against you, among many other things, including the media. I know that Boies and the attorneys are using this information as blackmail to get what they want during the race to the election. This what's its been all about Mr Trump. Election interference, fraud and cheating.

They say you are a threat to democracy. No, sir, they are. You don't need highly paid actors like Mr Clooney to endorse you to gaslight voters that you know which planet you're on or fit for service, and you certainly don't need dishonest chat show hosts or a VP's talking about joy when one can barely afford groceries or their gas and electric bill. The truth and your authentic self will do the job perfectly. The truth always comes out...

I have attached below the response I sent to Ms Habba from when I contacted Merson Lawfirm regarding the Epstein "victim" FBI lawsuit earlier this year which I and [REDACTED] wanted to join.

Please would you be so kind, Ms Habba, to pass this on to the attorney Jordan Merson, who was handling the FBI litigation for the "Epstein victims" that was recently dismissed, and to my former attorneys James Marsh and Jennifer Freeman?

I have also attached the letter of intent sent to Director Wray, Inspector General Horowitz, and Attorney General Garland regarding the FBI lawsuit on May 2 2023, on my behalf and another plaintiff's which I worked on and my ex attorney's put together and represented. It's important to note that this would be a class action for ALL Epstein victims, NOT just a select few.

Strange that both James Marsh and Jordan Merson both filed letters of intent around the same time in two different suits representing Epstein victims against the FBI and US GOVERNMENT... one only ever went forward which was with Jordan Merson and the 12 Epstein Victims that the "victims" dismissed due to them wanting to remain anonymous recently?

James Marsh and Merson are colleagues in the same lawsuit against the Catholic church, so why have they both filed letters of intent, both representing Epstein victims?

The judge on that case is Lorna Schofield, you may know her as she not only is another democrat judge but she really hates you.

I also think it's essential to note that during **YOUR** presidency Epstein, Ghislaine Maxwell and Jean - Luc Brunel were arrested for sex trafficking and rape.

When the Biden administration talks about women's rights, know I am alive today because of you. Epstein and Maxwell both promised if I spoke, they would get me. They did, through the attorneys and media they silenced me but know that because of **YOU**, Epstein, Maxwell and Brunel are unable to rape again, **NOT** them!

You should ask Harris about this during tomorrow's debate especially as she used to be a government lawyer prosecuting "predators", "fraudsters", and "cheaters". Harris have had four years to prove her worth as a prosecutor and what has she achieved?

It been a tough week as I'm sure you can imagine mentally coping with the grief of being betrayed by the British Government. My heart breaks into pieces for the families that lost their loved ones on Monday which was no mistake nor accident I can assure you.

**IF ANY BRITISH CITIZEN THINKS THEY ARE PROTECTED BY THEIR OWN COUNTRY BRITAIN, THEY ARE NOT!**

**FAR FROM IT WHICH MAKES IT ONE OF THE SCARIEST PLACES TO BE A CITIZEN!**

The British Goverment always seems to be on the wrong side of history.

Sometimes through loss and sadnesses comes unequivocal joy and in time all will be revealed for that I am sure.

I can honestly say I have never been more **PROUD TO BE SOUTH AFRICAN**, my birth place where my Miriam effectively mothered me and raised me whilst my Mom was working her ass off to provide us.

I wear our **SOUTH AFRICAN** flag round my neck with beaming pride and joy and have no regrets.

Through my grief and heartbreak I became angry with God. Very angry for I did not choose this life. Yes, I may have even called him the C word.... A few times but that's between him and I. I felt completely abandoned.

However something happed this week which floored me. All I can say is that the big guy upstairs has one wild sense of humour (which I don't always find funny).

Whilst I was sitting in the kitchen brooding in my sadness, my soon to be husband came trotting down the stairs with something in his hand.

He is busy preparing the nursery for little baby Isaac's arrival in July which used to be his office that hasn't been cleared for decades.

He hands me a cap from when your old yacht **M/Y Trump Princess** had a refit in **1988** in my new hometown.

My Dad in law whom I'm incredibly fond of worked on your boat all those years ago. So your cap from your **M/Y Trump Princess** boat in 1988 has been in storage in my new home all these years until now for the preparation of little Isaac's nursery.

**I have attached the picture for you.**

I guess sometimes one can't change what is already written in the stars. Such a bonkers story.

**MAY YOU SOAR WITH THE EAGLES PRESIDENT TRUMP.**

Have a super Sunday.

She doesn't want to sign and is feeling pressured. She knows first-hand of the client-attorney abuse I suffered and I have many witnesses including my soon-to-be husband who'll write a statement to this effect which I will send to you next week.

Please tell them to stop! I have attached the legal retainer which will inevitably imprison and silence [REDACTED] again.

Anne Claire Lejeeune and Macron,

Still no email, but thank you for showing that, indeed, not only are you protecting Richard Levitt and the US attorneys who obstructed justice, but also, you too, need to be held accountable for concealing the crimes of the most profound and sickening international rape, sex trafficking ring in history that spanned decades and decades.

I want to share with everyone just why I'm so upset and disgusted with you and your country, France, for your repeated failures in protecting women and children, EVEN YOUR OWN, and this is all relative to what has not only happened to all the Epstein victims and myself being muzzled dogs (except for [REDACTED]) but also to understand why the world is being silenced once more to what is happening to the woman and children in Gaza whilst being slaughtered and starved daily by the same people over and over and over again. Year after year, decade after decade.

**The world will no longer be silent anymore!**

Read this Anne Claire and Macron now and say the name [REDACTED] [REDACTED] **over and over again, who was raped in 1979 by Jean-Luc Brunel. YOU SAY HER NAME!**

<https://www.dailymail.co.uk/femail/article-13156307/driven-chateau-raped-Epsteins-friend-model-agent-train-ticket-escape-bars.html>

Another woman whose life has been categorically altered and damaged by your country's failure to keep women and children safe from a long-term French international rapist and paedophile, Jean-Luc Brunel, Epstein's and Ghislaine Maxwell's best friend and enabler whom I have many, many photos of whilst I was being raped and trafficked from 2006 - 2007 and until 16th August 2008 when Adam left me to rot and die after the plea bargain was finalized.

Adam successfully silenced me during the plea bargain negotiations which have zero and, I mean, zero effect on international law and should be overturned with immediate effect, considering much of the trafficking occurred outside the US Territory. The flight logs also need to be released, and the reason they have not been will eventually come to light. Who is preventing the release of those flight logs?

I quote from the article, " But on his travels, he also scoured cities for girls he could groom and sexually exploit, reportedly providing Epstein with more than 1,000 victims."

What makes me seething with anger is that [REDACTED] is NOT the reason for Jean-Luc Brunel's arrest at all; actually, it was the **bravery and courage of many other rape and sex traffick victims**, who have never been mentioned nor given a voice, including French rape victims who have never been heard or received justice. Where are their voices?

[REDACTED] and her outstanding attorneys, who were also falsely representing me then, silenced me and them.

Now tell me, Anne Claire, who is Richard Levitt?

When you came to me directly to help with the Brunel investigation and to testify in 2020 as a good little girl, I informed my attorney, Sigrid, that I had been in contact with you.

Knowing I have enough evidence to sink the Titanic, fact and the knowledge that Brunel was the most significant trafficker of European children and young women to Bella in North London (those Garrick Club boys and North London boys better be paying close attention) was fobbed off repeatedly by my attorneys and repeated excuses given.

████████ was never even mentioned in the conversation, and by some miracle, █████ was again working with the attorneys to silence me and others who should have testified. █████ represented us all, our stories and suffering, while repeatedly punting her Prince Andrew nonsense for years. None of us had a voice except for █████; why?

Every time I was due to give evidence, good old █████ was working **alongside her brilliant attorneys** (and mine, supposedly), there like a rat up a drain pipe. She did this knowingly because every time she knew I was due to give an interview through Sigrid or anything else, she rang the journalists herself to silence me. It happened many times, including in my interview with France 2 TV, where I tried to bash down Epstein's front door in Paris with my bare fists.

After that interview came out, there was good old █████ again, pretending to cry at Epstein's doorstep in NY, and the world went bonkers—great PR from Dawn Schnieder. How are you, Dawn? We haven't spoken for a while. Are you still working for Boies to manipulate the narrative?

I never got to testify, did I, Anne? The reality is that the case would never have been closed if I had. FACT!

These events are confirmed by Peter, who was there and a witness to every single sordid detail of my journey with the American lawyers and █████, which I have attached for your viewing.

Now, imagine my shock after recently reading █████'s brave story and the consequences of her life being altered by being raped by Jean-Luc Brunel and █████ being solely responsible for the arrest of Jean-Luc Brunel.

I contacted you, Anne, because this is a lie! I have attached the screenshots of what was said and your response. I quote what you said:

" I received a very clear email from your American Lawyer saying that I have to stop talking to you; you didn't want to talk anymore."

Well, what a load of shit Anne Claire. Worse, you have yet to tell me who the American attorney who wrote to you obstructing justice. I learned from a brilliant and trusted third party from whom you read the email that it wasn't an email from Sigrid but a Richard Levitt, who would have been instructed by my attorneys Boies Shiller and Brad, who wrote that email on their and my behalf NOT MINE. They didn't want to get their hands dirty AND THEY CERTAINLY DIDN'T WANT ME TESTIFYING!

I have never heard of or been represented by yet another corrupt New York attorney named Richard Levitt. Still, you would know this person wasn't my attorney because you were in contact with Sigrid, my attorney, regarding █████ and her testimony.

So please do tell us all, Anne, who this Richard Levitt is that obstructed justice in one of the most sordid prolific international sex trafficking rings in history to which your country is a participating party?

I know which Richard Levitt it is and have attached a voice recording with his business partner in my recent call trying to track down this Richard Levitt. FYI for all please skip to 1.30mins of the recording as that's when the conversation starts.

If there is a 0.5% chance that it isn't Richard Levitt from Levitt and Kaizer, having listened to the recording weeks ago, you had ample time to send me the email. So if the shit hits the fan, YOU are to blame!

We both know why you didn't forward it to me even after I begged you like a dog because it is him. Otherwise, you would have sent me that email but felt comfortable enough to read it to a third party.

Shame on you, Macron and the American Attorneys and enablers who once again evaded justice to continue raping and trafficking children and young women.

Now watch this, Anne Claire and Macron!

Dear President Macron, Anne Claire Lejeune, Richard Levitt, The AMERICAN ATTORNEYS and the FBI,

Thank you for your recent Fight Club photo's, Macron; it looks good. Now that the Fight Club season has officially started, I added my own official Fight Club photos for you to view.

You know why I'm writing to you. If not, Anne Claire, who was involved in the Jean-Luc Brunel investigation and trial in France, will explain to you or the American attorneys who falsely represented the Epstein victims, including myself and [REDACTED] will I'm sure. They know who Richard Levitt is don't they.

This is related to the injustice to all served in the Jean-Luc Brunel "investigation" in France. That case should never have been closed, should it, Anne Claire?

You've been very naughty, Anne Caire, and I have given you ample time to do the right thing to no avail. Shame on you that I'm still waiting for that email from Richard Levitt.

Again, Richard Levitt's business partner, unbeknown to him, made it clear that it's illegal to delete evidence in the voice recording I sent you, so don't you dare delete it as a very trusted third party has had to read it to them and will confirm this. I expect the email to be forwarded to me immediately so I can explain everything that's happened; either way, I will anyway. It's easier with that significant email to hand, which you're refusing to send me. Why is that Anne Claire? Who are you protecting, and why?

David Boies, Stan Pottenger, Sigrid, Brad, Paul Cassell, James Marsh, Jennifer Freedman and Robert Lewis and especially [REDACTED] know precisely what I'm talking about, and I will take great pleasure fully explaining why Macron and Anne Claire and Richard Levitt I'm addressing you directly.

I added some Coca-Cola cans to my Fight Club photos, as it's the in thing to do now. For example, Rishi Sunak and Kim Kardashian are at it, too, so I thought why not?

It's so weird how Kim K took a dig at our beautiful and cherished Princess Of Wales for minor photoshopping; who cares, as everyone is at it, aren't they? It's peculiar.

Incidentally, wasn't it reported that her mum's partner Corey recently enjoyed a skiing trip with Harry? Aren't they all good mates with Harry and Megan?

We all know Megan is definitely NOT a fan of the Princess Of Wales or the family she married into, so I'm sorry for being awkward here.

<http://www.dailymail.co.uk/news/article-13203053/prince-harry-ski-trip-kris-Jenner-boyfriend-corey-gamble.html>

I told you all billions of dollars don't make you a nice person. If anything, it makes you a mean old fake bitch. Incidentally, the pot calling the kettle black, seeming as Kim, is just one extensive photoshop, so it's beyond me how, of all people, she or many others can have a dig at photoshopping. Has anyone seen a photo of her NOT photoshopped? Just checking.

Speaking of Coke, and since Alan Dershowitz is a big advocate for original photographs, which I've only ever shared, I added a couple more photos of Adam. There is a nice little white residue in his nose.

Again, I ask where Adam Castellani is?

Adam was NOT on US soil in 2007 and 2008 and in London living in my house while obstructing justice on the instruction of Epstein, JP Morgan and co, so I ask why has Interpol NOT issued a RED FLAG NOTICE yet on him or others like Ghislaine Maxwell and [REDACTED] [REDACTED] who stepped outside of US territory to traffick and rape thousands of children and young woman myself and [REDACTED] [REDACTED] included?

<https://www.interpol.int/en/How-we-work/Notices/Red-Notices>

To the FBI, tutt tutt, your legal skills are appalling. Ghislaine is NOT going anywhere, and if you had done your job correctly and taken the Epstein victims' statement, you would know that the plea bargain isn't worth the paper it's written on outside US TERRITORY. Ghislaine, [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] and others are NOT protected under international law to which I have attached a written statement by [REDACTED] [REDACTED] that she was with Ghislaine Maxwell and [REDACTED] [REDACTED] whilst being trafficked in Paris in 2003.

The Epstein flight logs which are still yet to be released will confirm this too. Why have they not been released yet?

Your shitty illegal US plea bargain that Alex Acosta and Alan Dershowitz wrangled does NOT apply outside US territory, nor does it across US State lines, as every state in the US has different laws; you said so yourself to me, [REDACTED] [REDACTED] in front of Sigrid. So why did you not use that legal argument at Ghislaine Maxwell's appeal?

So actually, what should happen seeming that this is an INTERNATIONAL SEX TRAFFICKING RING THAT GHISLAINE ETC TRAVELED OUTSIDE US TERRITORY, WHICH HAS CARRIED ON FOR DECADES; MUST ALL BE INVESTIGATED BY INTERPOL, AND IMMEDIATE INTERNATIONAL ARREST WARRANTS PLACED ON ALL INVOLVED, INCLUDING BILL CLINTON AND ADAM CASTELLANI.

Just to mind f@\*k, all the boys at the GARRICK CLUB in London, please send this round to the members there as most of them will all know who Bella is, and seeming as Jean-Luc Brunel was the biggest supplier of children and young women to be sex trafficked to her they should all go pale with fear....and so they should.

Why is this relevant to what's happening in Gaza? Because under NO circumstances will RAPE OR MURDER BE USED as AN EXCUSE TO COMMIT GENOCIDE, STARVATION AND TORTURE, AND ITS THE SAME PEOPLE OVER AND OVER AGAIN AND ITS TIME THEY

ARE FINALLY HELD ACCOUNTABLE FOR THEIR CONTINUOUS CRIMES AGAINST WOMAN AND CHILDREN.

I have attached the brilliant and very relevant interview that Clarissa Ward did with the Israeli extremist Daniella Weiss. Sounds like the female version of Alan Dershowitz.

<https://edition.cnn.com/2024/03/20/middleeast/israel-gaza-settlers-daniella-weiss/index.html>

Again it has been repeatedly confirmed that Netanyahu and Israeli intelligence DID KNOW about the 7th October attack before it happened and did NOT prevent it. FACT! Time will tell exactly what intelligence was indeed provided to them.

The reality is this: if the JP Morgan trial went ahead like scheduled, which it should have done, Netanyahu and others would be too busy testifying under oath as to their role in the biggest sex trafficking paedophile ring in history.

I have attached what I sent you earlier for everyone to review. I love transparency.

President Trump, can you personally or Ms Habba, Mr Brettler or Mr Mitchell phone [REDACTED] for an explanation as to why they are yet to take my or the Epstein victim's statements and evidence and do an investigation?

There are all these criminal cases and NYPD new investigations, but still nothing on the Epstein front. Is the FBI AND NYPD TOO BUSY WITH OTHER THINGS? As I sat down with her (I attached their business cards for your viewing), and you know her father, James Comey, could you please get her to answer for her actions?

Have a super evening.

Kind Regards

Dear President Trump, Prince Andrew, Ms Habba, Mr Brettler and Mr Mitchell,

I'm not sure what's happening, but this is turning out to be some bonkers Shakespearean comedy/tragedy. Half the time, I'm unsure whether to laugh or cry, but if Shakespeare were alive right now, he would have a roaring old time.

President Trump, the reason you shouldn't pay any of your fines is that, for every day that they add interest on you, I will be adding my interest for the Epstein victims and myself against the US government, FBI and NYPD, JP Morgan etc and in a few months you will be taking over to US Government. So what is happening now will impact the future US economy, but you need to know that while there are criminal charges against you, etc etc etc etc..... to date, not one single FBI agent has taken my victim statement or opened an investigation with my evidence.

They also refused to take [REDACTED] [REDACTED] victim statement and investigate Bill Clinton and his involvement in her trafficking in South Africa. Actually, the FBI hasn't taken a large percentage of our statements and evidence.

[REDACTED], another Epstein rape victim, begged the FBI, just like me, to take her statement to no avail. She is now represented by James Marsh and another of their "client".

<https://www.instagram.com/jessmichaelsspeaks/>

You need to tell the attorney general this from me. I will also add interest on the outstanding amount owed on my compensation, which still needs to be paid in full. So until I and the Epstein victims have been paid our compensation for being raped repeatedly and sex trafficked, President Trump you don't owe a penny.

Prince Andrew, incidentally, attached is an email to the FBI whereby I complain about Geoffrey Burman publicly attacking you but ignoring questions about Ghislaine Maxwell, from journalists whilst promoting a sex trafficking charity standing on Epstein's doorstep. .... again. Geoffrey Burman is particularly close to my attorneys and Paul Cassel. Geoffrey Burman was with William Sweeny from the FBI, who spoke to all of us directly and apologised for the FBI's failure to hold anyone accountable after the judge shut the Epstein case after his death.

This was always about you, Prince Andrew and the Royal Family, and you, President Trump. This has been going on for years and years.

I'll explain more to you tomorrow, but I'm exhausted. I've recently been sick as a dog on a bad day and am still recovering. I'm also aware my phone calls are being listened to.

Gayle, I would like to understand why Catherine Herridge was fired from CBS, who covered investigations into the Biden Family and then seized all her notes, research, etc. An unusual move by CBS, no? I would like to know why the media and I and all the Epstein victims have been silenced from reporting anything on Epstein or the genocide that is occurring in Gaza, whereby thousands of women and children have been slaughtered, starved and tortured.

Are you going to do the job that you are paid to do, working in the media and report on the Palestinian woman that was raped and tortured by the Israeli Governments occupation? Or do they not matter either just like myself and the other Epstein victims?

<https://www.theguardian.com/world/2024/feb/22/claims-of-israeli-sexual-assault-of-palestinian-women-are-credible-un-panel-says>

Are you and CBS going to report that US intelligence casts doubt on Netanyahu and his government's claims, which internationally cut off funding of food and aid to 2.3 million innocent civilians? Seeming and there is famine in an entire population endorsed by the Israeli occupation, Biden administration and the British government.

It's funny how James Marsh lectures a girl born in South Africa who has been raped, sex trafficked, starved and tortured on colonisation, yet you stay silent or am I not South African because of the colour of my skin? You tell me, Gayle, who is the racist now? Who is the coloniser now, Gayle?

Your government stays silent, and of course, the British Government remains silent. Both governments historically revel in colonisation, suffering rape, and pillaging, and it seems times haven't changed at all, have they, Gayle? You and Opera should be ashamed of yourselves.

<https://www.theguardian.com/world/2024/feb/22/us-intelligence-unrwa-hamas>

Gayle, when I met you, I respected you and looked up to you. You were one of the few who treated me like a human being. I invited you to breakfast that day, NOT because you are a celebrity or well-known. That, to me, is COMPLETELY meaningless.

Frankly, if Taylor Swift (whom my attorneys are big fans, incidentally) or a Kardashian walked into my sitting room, I wouldn't give them the time of day and leave unless they were genuinely decent human beings. Where are these wonderful strong woman influences in the fight for truth and justice for women and young girls being raped and trafficked, being mighty women with a voice just like you, Gayle?

Where is just human decency and concern for human beings other than yourselves, and how many likes do you get on your Instagram?

Being a celebrity or wealthy doesn't impress me at all, and you need to know that because that is why we had breakfast that day together, because of who I thought you were. What a great big disappointment that turned out to be.

In the interview, you looked me in the eye and said, "I believe you".

Here you go, [REDACTED], the girl who sold me into slavery at the age of 22. Best buds with [REDACTED] and all those long-term Epstein employees because that's what they are.

<https://www.dailymail.co.uk/news/article-8564953/Jeffrey-Epsteins-sex-ring-recruiter-spotted-hiding-away-Los-Angeles.html>

People forget that this is one of the most prolific paedophile sex trafficking rings run by women that's spanned over decades. It is still going strong, with the same old people repeatedly.

I wasn't recruited and sold into sex trafficking to be raped repeatedly by a man but [REDACTED]. Everyone knows this. Let me be clear, Gayle, I don't think a male recruited any victim. The powerful and wealthy men do the raping and fund it. Has [REDACTED] Callahan or you interviewed [REDACTED] or Adam Castellani? I wonder, seeming as though [REDACTED] thinks she is so so clever and the best journalist in the world.

I've never seen such a diligent journalist ever! At least Lucia did her job; she just hid murder and evidence. Perhaps [REDACTED] can apply for a decent journalist job at the, say, the New York Times, the Telegraph or a proper newspaper other than the Daily Mail and New York Post, where her sole purpose for every article she writes

is to cause hurt and suffering. She and her journalistic skills are the best in the world! You should check out her work. Seems like a lovely, caring girl.

Gayle, how can you just sit there and let me be metaphorically gang raped by the universe by governments and media outlets to spin some bullshit propaganda narrative by everybody knowing full well the absolute truth. I say gang raped because the truth is right now, I would hands down choose to be physically raped, sodomised have foreign objects rammed into my body all over again by Epstein and co than what I have suffered at the hands of David Boies, Sigrid, Brad, Stan, James Marsh, Jennifer Freeman, Robert Lewis, Biden administration, the British government and the media for years. Then they lecture the public on democracy?? Wow! Slow round of applause.

<https://www.dailymail.co.uk/news/article-13116417/CBS-News-Catherine-Herridge-Biden-fired.html>

Most importantly, Gayle, I would like you to share why CBS tried to silence Melinda Gates from talking about her horrors and nightmares of meeting Jeffery Epstein and his involvement with her ex-husband Bill. It must have been awfully traumatic for Melinda to meet Epstein, the poor lady. Shame, I think I just shed a tear for her horrors.

I've attached the email you sent me confirming that CBS tried to silence good old Melinda Gates. Isn't she outraged about being such a powerful, strong woman? I'm confused.

I think Gayle and CBS, you have a lot to answer for, and our time will come, but in a court of law where justice prevails, not some dodgy old democratic judges.

And to Rishi Sunak, let me make it abundantly clear to you and your government directly: you will never intimidate me again. Do you understand me, Rishi? I will meet you one day, and I will look you in the eye and ask you, "Why?".

You are killing democracy in Great Britain, and in time, you too will be personally held responsible for what has happened to me and hundreds of other women and children who were raped and sex trafficked.

You, Rishi, will never ever silence me and intimidate me for truth and justice and in exposing your governments, the Biden administration and Netanyahu government, do you understand me, Rishi?

I was led into the slaughter house the day I met and entrusted you to fight for truth and justice.

YOUR BANK, the institution which holds your money and is charging a fee for depositing your funds, is uniquely responsible for the colonization and plunder brought about by the Dutch East Indies company in Indonesia including the widespread implementation of slavery, conquest, and rape.

I am beyond shocked that you are banking with this institution which has wrought so much wrong across the world for literally centuries. You need to publicize this on behalf of the formerly enslaved people in SE Asia financed by YOUR BANK and now YOUR FUNDS held by ABN AMRO. These victims matter too.

That being said, the history of the Netherlands, which existed long before the United States, is beyond exploitative and that you even consider yourself their protectorate, honestly they need to be

Mr Trump, Prince Andrew, Ms Habba, Mr Brettler, Mr Mitchell, I apologise for being so painful. Things have escalated since this morning. I know you guys are busy, and I've been emailing you a lot (Mr Brettler, I've been emailing you for years) with evidence against the attorneys that falsely represented myself and all the Epstein victims, including recent evidence that you have seen, but this is actually an emergency!

ACTUALLY, IT IS A MATTER OF LIFE AND DEATH, AND I BEG YOU, MR TRUMP, TO PLEASE FINALLY HELP ME BEFORE IT IS TOO LATE!

I heard from my Mum earlier, and she is being attacked and intimidated in the UK. This has been going on for months and has escalated to drastic proportions.

Dear Mr Trump, Prince Andrew, Ms Habba, Mr Brettler and Mr Mitchell,

Mr Trump, I would like to congratulate you for yesterday, and Mr Mitchell, you blew their socks off. You're one heck of an attorney.

I come to you all today with very, very upsetting news and quite frankly, am devastated about it because Yahoo, owned by Apollo Global Management, founded by none other than Mr Leon Black himself, has deleted every single one of my emails from my Yahoo email account, which I've had for +/-20 years. Everything. All my emails, evidence implicating David Boies, Sigrid, Brad Edwards, Stan Pottinger, and the Clintons that I was going to hand over to you from that email address is gone!

I phoned Yahoo and recorded the conversation that I had earlier today. Apologies, but I'm fuming in the call, and something isn't right. The guy's voice is faint as the line is terrible, so you must increase the volume. Sorry if my voice sounds loud and awful. If They have deleted mine, they have deleted yours, your clients, your friends, etc. This is a massive global security breach because the probability that some of you have an old Yahoo email account from years ago is high. I also accessed my email account in the last year.

<https://fortune.com/2024/01/03/jeffrey-epstein-sex-offender-documents-unsealed-names-new-york/>

Not only that, they deleted my NHS Medical Records, which would implicate Adam Castellani for attempted murder. My father took these photos of me in my coma and the fact that I did actually die several times in Aug/September 2008. The photos attached of Adam Castellani and I were taken before my suicide attempt, which he strategically drove me to when he was living in my house in London when I thought I had escaped Epstein.

They tried to burn my father's house down in Cape Town on the 16th of January this year. My Dad and Step Mum were in the house at the time. I have attached the videos. They also tried to burn [REDACTED] [REDACTED] house down, who weirdly lives just up the road from my Dad in Cape Town, on

30/10/23. I have attached [REDACTED] videos she made. [REDACTED] and her young son were at home.

Mr Trump, this is election fraud, witness tampering, and intimidation. The list goes on and on, and I'm scared that it's only a matter of time before they hurt me, my unborn child and my family and loved ones.

I know you can't communicate with me, and I don't want to get you into any trouble, but please, can you do something, or can the universe do something to stop these nutters, especially Hilary and Biden, before they hurt me or any more people.

Kind Regards

Hi Mr Trump,

I just read you have oral arguments for tomorrow's most nonsensical case in US history at the Supreme Court. I've got to be honest here; they really don't like you there. I even tried to help you by calling them.

I phoned the Supreme Court earlier and wanted to submit all my evidence against the Clinton and Biden administration, which spans, in my case, over seven years worth for your hearing tomorrow, or any day for that matter, for prior election fraud and current election fraud, intent to commit genocide and committing acts of genocide towards myself and all the other Epstein rape and sex trafficking survivors. The Supreme Court was having none of it!!

I recorded and attached the very brief call with the Supreme Court. She didn't even let me finish, and I knew tomorrow was really important, so I thought I would try my luck, to no avail. My Mum always say, " God loves a trier". Every failure brings you one step closer to success. You taught me that in a very weird way.

I also attached the voice recording of myself, Linda Singer and the attorney who falsely represented me for four years, aiding the Biden Administration and silencing me.

In the voice recording, Linda, who was representing the USVI against JP Morgan, says that through the court, she found out that all of Adam Castellani were deleted who was Vice President of Media Relations at JP Morgan. The attorneys also have all the emails between [REDACTED] Staley and [REDACTED], my witness, and in most of my photos and another rape and sex trafficking victim. She also says that all of Jamie Demon's emails were deleted, too.

I really wanted to come out publicly about this, and Linda Singer only wanted me to use Kendra Barkoff, Biden ex press secretary. I have emails too.

<https://skdknick.com/staff/kendra-barkoff/>

I heard from [REDACTED] today, too. Boies represented her. [REDACTED] important because she was sex trafficked with the aid of Bill Clinton when he made that trip to South Africa in 2002. She met him many times in South Africa, and Bill Clinton made her feel comfortable enough to believe Jeffrey when he offered her a modelling contract with

Victoria's Secret. She was raped repeatedly, and sex trafficked, just like me.

She received a settlement offer of \$1.150 million. She has been treated so badly and penalised, too, because of Bill Clinton, David Boies and Jamie Demons friends and the lawyers did everything to break up [REDACTED] and my friendship. They succeeded because they lied to her! that's what they do; they lie, cause chaos, divide, isolate and destroy. That's what they did to all of us and that's precisely what they have done and are doing to the Republican Party. The more infighting and division, the weaker the Republican party becomes. Please, the Republican party must unite. This is no time for fighting. So much is at stake here, and they fight super duper dirty!

I have attached her email. We have had a tiff, but It's vital that you know this!!! Mr Trump, you will NOT BE GIVEN A FAIR HEARING TOMORROW OR AT ALL!!!

I will be your witness and speak in your defence. ! I believe in you and Prince Andrew and in liberty, equality, fraternity and justice.

What they are doing needs to be corrected, and you must stop them.

I've included [REDACTED] correspondence below.

I wish you the best of luck tomorrow.

Kindest Regards

INTERESTING !!! -

I WOULD LIKE TO POINT OUT THAT MY BANK BALANCE WAS 5.12 EUROS YESTERDAY.

AFTER I RECEIVED YOUR \$1.36 PAYMENT, MY BANK ACCOUNT IS NOW NEGATIVE -2.64 EURO TODAY!!

\$1.36 = 1.25 EURO'S ON MY XE APP.

MY 5.12 EURO'S + 2.64 = 7.76

Everything NOW after I file a criminal complaint against each of you will be thoroughly investigated because this abuse and torture, which has been continuous since I was sold into sex trafficking by [REDACTED] [REDACTED] in 2006, who WILL BE FOUND AND TESTIFY IN A COURT OF LAW, including ALL MY EVIDENCE AGAINST EACH PERPETRATOR WHO HAS CAUSED ME IMMENSE SUFFERING AND HARM FROM 2006 - TO PRESENT. This criminal complaint will include the harm to my unborn child and my entire family.

It is my legal as a human being to have legal representation with the knowledge they will not deliberately cause me and my unborn child harm and suffering to their own client, who they have been falsely representing and other Epstein victims for years at the request of David Boies and others to report a crime committed and have it investigated with the knowledge that it will be investigated without political bias and corrupt agenda.

The Epstein rape and sex trafficking case is one thing. But since I managed to escape Epstein and NY in May 2007, Adam Castellani, living in my actual house and violating every human rights law there is ever written for a living human being and also rights to consent as a woman and especially the last seven years of shit I've had to put with from all of you is a completely separate matter.

I am filing criminal complaints against every single one of you, and I should be able to do so without fear of retribution from you or the media and with the freedom and liberty awarded to a human being and being a woman, especially with a child robbed from [me.In](#) front of everybody's eyes! I am well within my legal rights to do so.

James, your transfer of \$1.36 out of my compensation out of an agreed million has not reached my account, nor is any payment processing.

██████████, I would like you to release the funds directly to me immediately, please.

You have my bank details and you are causing me and my unborn child immense distress and trauma.

I'm reporting all of you to the FBI Headquarters at the American Embassy for all your crimes committed against me.

Transfer the funds, █████. This is psychological abuse, and you are using starvation methods as a weapon of destruction on an innocent civilian you have kept imprisoned since the age of 22 years old!

This proves every single thing I have said in all my emails.

This isn't just about me! There are close to 200 other victims of rape and sex trafficking being treated the same.

If they are doing it to me, you think they are not doing it to other Epstein victims too they have entrapped?

Steve,

I am sending a quick follow-up email about the Emily Maitlis interview before I go to bed. I want to do it with Prince Andrew to clear our names. Especially after Kier Starmer publicly endorsed the Metropolitan Police opening up a criminal probe against him, knowing I have gone to extreme lengths to prove his innocence and, quite frankly, mine, which is bizarre. And yes, that is me being an Epstein victim who was raped repeatedly by the same trafficking ring who has sacrificed everything for truth and justice to fight back for a man I've never met. I never met the poor bugger in my life nor spoken to him, but I know he is telling the truth.

I also want to address just this one article among others I will address because that is my right to self-defence before I go to bed; it was written by the infamous Daily Mail, and Prince Andrew and I will be filing the most horrifically expensive defamation lawsuit in the next few days against them, but don't tell, it's a secret. Let's hope the Daily Mail do a P Diddy and pay us both in 24 hours. We can both finally start renovating our

houses after all these years of putting up with this crap.

[https://www.dailymail.co.uk/news/article-12945299/jeffrey-epstein-paid-\[REDACTED\]-\[REDACTED\]-sex-prince-andrew-claims.html](https://www.dailymail.co.uk/news/article-12945299/jeffrey-epstein-paid-[REDACTED]-[REDACTED]-sex-prince-andrew-claims.html)

I've pulled out some fascinating quotes:

"I did receive \$15,000. I do not know the equivalent to what that is in pounds,' she said before she was quizzed by a lawyer on whether she paid tax on the amount, with Mrs [REDACTED] replying 'no'.

This came out of [REDACTED] mouth!

Now Sigrid has all the JP Morgan financial transfers that Epstein made from 1998 till his arrest, which must also be released now along with Epstein's full flight logs. Sigrid would have this financial information immediately of the \$15,000 payment and any other large bank transfers made to [REDACTED] [REDACTED]. Bearing in mind that Virginia also boasted to [REDACTED] about meeting Prince Andrew, who has been forever silenced, we will never know the truth if that was the case, especially considering now that there have been big lumps of money transferred for God alone knows what and to whom, and I think the story has changed like 20 times.

I stand by all my allegations and look forward to providing my CLAIMS IN A COURT OF LAW and Emily's interview, clearing our names.

You see, I want to address the white elephant in the room, and I think, as you and everyone well know, have gone to extreme lengths publicly to highlight the difference between being raped and sex trafficked to being an exceptionally well-paid escort/Epstein long term employee of Epstein or just plain liar with a photo no one has ever seen the original of.

Indeed, it would have surfaced by now. I consented fully with my clients, who are most probably more wealthy than Epstein, but that wasn't rape; that was my choice, I consented, and the truth is they treated me better than almost all my exes. I wouldn't dream of extorting them for money. Never in a million years. Why? Because it was consent and a financial transaction was made, I take full responsibility for that. I've never feared my past because it's made me who I am today.

My past decision is a blessing in disguise because my chief witness will testify that Jean Luc Brunel was well-known in that industry for being the biggest distributor of Eastern European women into the United Kingdom. Lol, and the British Government thought they would throw Prince Andrew and me

under the bus to hide the God-awful truth, especially for bloody Virginia. Never!

Here is the big difference between [REDACTED] and me: I tried to swim OFF the island after being raped repeatedly AND STARVED by Epstein. IGOR ZINOVIEV IS MY WITNESS WHO INCIDENTALLY WAS TRAINED AT CIA HEADQUARTERS AS PER HIS INTERVIEW WITH BRAD EDWARDS IN HIS BOOK CONFIRMING MY ACCOUNT!!!. [REDACTED], [REDACTED], GHSILAIN MAXWELL, [REDACTED] AND [REDACTED] ARE ALL MY WITNESS TOO.

I WAS NOT FLYING AROUND THE WORLD COLLECTING LARGE PAYMENTS FOR SERVICES RENDERED, BOASTING TO ANYONE THAT WOULD LISTEN, EVEN TO THE POOR GIRL WHO SHE JUST SOLD TO EPSTEIN TO BE RAPED AND TRAFFICKED, WHICH INEVITABLY WOULD BE THE DEATH OF HER. YOU CAN CHECK EPSTEIN'S FINANCIAL RECORDS! You can all check for yourselves.

What I didn't know until reading this article is that there is another rape and sex trafficking victim who tried to swim off the island after being raped repeatedly by Epstein, just like me.

She was 15 years old in 2005, a year before I tried to risk my life and swim off the island in complete and utter distress to stop the rape, torment and torture. The FBI was investigating Epstein at this time. Why are those men not being held accountable?

If the FBI had done their job, my and others' lives would be different! Completely different! Do you know how many times I wish I never went to that night club that night where I was recruited and sold by [REDACTED] to Epstein?

WHERE IS THIS VICTIMS FULL STORY?  
ANOTHER UNTOLD STORY! ..... EXCEPT FOR [REDACTED]!

More Daily Mail Quotes are below!

#### "VICTIMS TRIED TO ESCAPE BY SEA

While the island might have appeared a heaven on earth, for many of its more reluctant visitors, it was nothing short of hell. Legal filings have described Little St James as just one step in a worldwide web of private flights that ferried sex trafficking victims to London, Paris, Tangier, Granada, St Louis, Palm Beach, Atlantic City and beyond. Some victims were as young as 12.

Trapped on the island, with Epstein controlling all communication with the outside world, one 15-year-old Swedish girl told how in 2005 she was 'distraught and shaking... literally quivering' as

Maxwell and Epstein's assistant ██████████ confiscated her passport and phone, before pressuring her into having sex. She tried to flee by swimming, but Epstein organised a search party and she was recaptured at sea.

Another 'guest' on the island was ██████████, lured into the sex trafficking web aged 22. It was she who gave the photos to an American court. They showed her and other young women smiling as if they were enjoying a sun-kissed holiday. But Ms ██████████ also said her passport was taken away, and eventually she was being raped up to three times a day by sex-addicted Epstein. She too tried to escape by swimming, and was eventually tracked down by a search party that reportedly included the financier himself.

'Remember, he owns a whole island,' said US Virgin Islands attorney-general Denise George in 2020. 'So it wasn't a situation where a child or a young woman would be able to just break away and run down the street to the nearest police station.'

One alleged victim told CBS News she was raped in Epstein's office and that he had a gun strapped to the bedpost in his bedroom on Little St James."

So Steve, please tell our people to tell Prince Andrew's people and Emily's People that not only will he get ALL his military medals back, but Kier Starmer, Grant Shapps and Rishi Sunak will owe a lifetime debt of polishing the nice little Victoria Cross he is going to receive by the time I'm finished with ██████████ and her people.

They better start thinking of a bloody good excuse to give our beloved King Charles, His Royal Majesty, for him NOT locking them all up immediately and trying them for treason!

I think the funniest story here, and why Prince Andrew should be laughing his head off along with his family, is that he has two women fighting to the death for him, both of whom have never met him, or if one had met one, her hour ended quite frankly 22 years ago and has been exceptionally well paid for services rendered. What a bonkers story!

I look forward to clarifying the difference between myself and Virginia and highlighting that sex trafficking and sex work sadly go hand in hand, as seen with this recent sex trafficking case in Washington, DC. I'll be using that as a case example. So I will have to get more information.

Dear Steve,

Thank you for your email dated 09 January 2024 notifying me that Emily Maitlis, who first interviewed Prince Andrew in that "disastrous" interview!.....or was it so "disastrous", time will tell, would like to interview me.

I personally think and have always thought that the interview was the apparent move of an innocent man, NOT a guilty one, considering we have yet to see Bill Clinton and Chelsea do one on a world stage, considering they had to crowbar the two of them away from Epstein, according to that one chap. I've yet to see any man other than Prince Andrew with the balls and courage to stand up and do one.

Steve, I would like to take Emily Maitlis up on her offer. I want to warmly extend the offer to Prince Andrew and [REDACTED] Ferguson so he can clear his name once and for all.

I, too, would like to CLEAR MY NAME because I can assure you Prince Andrew and I will no longer be thrown literally under Gloria Allred's bus for [REDACTED] and co and their nonsense. No way. This whole [REDACTED] crap has made both our lives complete hell, and it's time the truth comes out, and it stops today.

Recent days, weeks, months, and years have taught me many things. I've become a pretty hardened soldier; I'm sure Prince Andrew can concur with these words.

I ALWAYS BELIEVED PRINCE ANDREW WAS INNOCENT. I tried to get myself arrested trying to tell Rishi Sunak and then Boris Johnson, who was PM, about [REDACTED], David Boies and co to protect the guy. I HAVE THE EMAILS TO PROVE IT! My intention, once arrested, was to not only clear his name but to hand over all my evidence, etc, against them and about my sex trafficking. It's been tricky trying to give my statement; even the FBI are terrified of me because they know once I give my statement, they are legally bound to follow up and investigate.

I'm already filing a severe complaint against the Ministry Of Defence tomorrow, and I hope Prince Andrew does too and launch a full-on enquiry about the systematic abuse I have received and to think they've done this to one of their own. Bloody disgusting if you ask me!

EFTA00144668

Grant Shapps will be directly addressed, and I will call for his resignation. Any more attacks from the United Kingdom authorised by the British Government, especially after invoking Article 51 of the UN Charter on Friday, will have severe consequences. As I have been severely attacked, I must defend myself under the UN charter, and I will address recent events in due course.

<https://www.theguardian.com/uk-news/2024/jan/14/union-reports-mod-ehrc-handling-of-sexual-abuse-allegations-female-civil-servants>

I MUST tell my story more than ever in light of recent events. In your email, you wrote the following '█████, I will tell her I no longer represent you but am forwarding this to you in case you decide to pursue this yourself."

I've been dreadfully busy recently, so I haven't had time to find a new agent, never mind a PR AGENT, TO REBRAND MYSELF LIKE █████!

I feel so much has happened, and it seems as if you not only know a lot of history to my story as, sadly, you too have been caught up in the utter chaos of this Epstein never-ending spider web, but I don't have an agent.

You emailed me the details, so I've decided NOT to pursue this myself. You, everyone at Harper Collins and anyone I've ever worked with know the truth.

Steve, I know life has been bonkers, but please help me with this and set it up as soon as possible. I don't know how you guys in the industry do it, but please can you get onto Prince Andrew's people so they can tell him that the next time he goes outside, he can now crack a smile and flip the bird on both hands to the media waiting to photograph him.

I'm looking forward to sitting beside Prince Andrew and his other █████, who is fabulous, mainly because of her courage in standing up for breast cancer and her lioness spirit to never give up on the man she loves whom she always knew just like her daughters, family and myself was innocent, just like I am.

After all these years, their love and devotion to each other is the most beautiful love story! They are truly inspirational, and I hope I get a personally signed copy of their memoir of true love and continued hope when all is lost. What a fairy tale, as true love can also mean friendship and companionship... just in case they aren't back together and I make a dick of myself again. I have to cover all angles these days.

I like Emily Maitlis and have the utmost respect for her; that was a bloody good interview that she did. She is a journalist. She got both sides of the story. That's what journalism is.

So I'm sure Emily's sequel interview will be even better this time. Who knows..... maybe we can break the internet, too?

Steve, please, let's make this happen. Please make it clear that any future correspondence on the matter between all parties will be kept completely confidential by all parties.

**BENJAMIN NETANYAHU, YOU SAID SOUTH AFRICA'S "HYPOCRISY SCREAMS TO THE HEAVENS"!**

I give you my favourite parable, **THE PARABLE OF THE BARREN FIG TREE.**,

"A man had a fig tree planted in his vineyard; and he came looking for fruit on it and found none. So he said to the gardener, 'See here! For three years I have come looking for fruit on this fig tree, and still I find none. Cut it down! Why should it be wasting the soil?' He replied, 'Sir, let it alone for one more year, until I dig around it and put manure on it. If it bears fruit next year, well and good; but if not, you can cut it down.'"

I see you, and I said you shall not pass!

You are at a crossroads for the Israeli people, and you will curse them for eternity if you continue to proceed this is your last warning! **DO NOT TEST THE ALMIGHTY AND HIS PLAN!**

Lior Haiat, you said on X,

" Today we were witness to one of the greatest shows of hypocrisy in history, compounded by a series of false and baseless claims".

"South Africa, which is functioning as the legal arm of Hamas terrorist organisation, utterly distorted the reality in Gaza following the 7 October massacre and completely ignored the fact that Hamas terrorists infiltrated Israel, murdered, executed, massacred, raped, abducted Isralis citizens, simply because the were Isralis, in an attempt, bro carry out genocide."

Ben-Gvir, you stated the following today " 78 years after the terrible holocaust that the German Nazi's inflicted on us and the three months after the Nazi from Gaza added to the massacre of us - the world joins the theatre of the absurd and spread blood libels against the state of Israel. We protect our citizens, our woman, our children and they spread lies and

Secretary Antony Blinken you said the following today, " January is National Human Trafficking Prevention Month - a time for us to redouble our efforts to partner across the world to combat crime. @StateDept continues to work with partners overseas and domestically to #EndHumanTrafficking around the world."

Jill Biden, you said today, "What they are doing to Hunter is cruel, and I'm really proud of how he has rebuilt his life after addiction. I love my son. It's hurt my grandchildren. That's what I'm so concerned about, that it's affecting their lives as well."

Well, what a load of nonsense!!

You dare talk about hypocrisy!!!! What you have done to the Palestinian civilians, innocent men, women, and children is beyond anything other than the devil's work, and I condemn you all to hell.

The way you have crucified me to the public, knowing that you have been and are the ones that are lying, especially to cover for [REDACTED] [REDACTED], her lawyers and her lies! Everything, all the suffering I've endured for years and years whilst you enjoyed every second, just like Epstein and co-watch me starve!

Knowing the evidence that I have can prevent women and children from suffering with my truth and my evidence.

There are no words that I can find to express the long-term suffering you have caused me. You've devastated my family for what?

I remain silenced, isolated and, in darkness and alone for days, months, years in my fight for freedom and justice, and now I realise today just how much you fear me.

"In answer to another question, Netanyahu says, as he has done often since the Hamas onslaught of October 7, that he will not resign: "The only thing I'm going to resign from is Hamas. That's what I'm dealing with."

He says the full investigation of the failures surrounding October 7 will take place only "at the end of the fighting," although some lessons have "already been learned."

He is reminded that 10 years ago, in an interview on the Eretz Nehederet satirical show, he said he would want to be judged historically for his contribution to the security of Israel, and is asked if that is still the case.

"History will judge," he says, stressing that he works to "ensure Israel is strong economically, strong militarily, strong diplomatically."

"In the years I've led Israel, it got much stronger," he says, citing the fact that "we can manage a multi-front campaign" that will soon have lasted 90 days.

Support for Netanyahu, already sliding before the war over his handling of the controversial judicial overhaul, has plunged since the Hamas-led October 7 massacres, in which terrorists rampaged through southern communities and military posts, killing 1,200 people — mostly civilians — and taking some 240 hostages to Gaza."

31st December, the Guardian reported, I quote:

"of Jewish settlers to the Gaza Strip after the war

---

Israel's finance minister, Bezalel Smotrich, has called for the return of Jewish settlers to the Gaza Strip after the war and said Gaza's Palestinian population should be encouraged to emigrate, according to AFP.

"To have security, we must control the territory," Smotrich told Israel's Army Radio in response to a question about the prospect of re-establishing settlements in Gaza.

"In order to control the territory militarily for a long time, we need a civilian presence."

The Israeli government under Benjamin Netanyahu has not officially suggested plans to evict Gazans or to send Jewish settlers back to the territory since the war broke out on 7 October.

Israel unilaterally withdrew the last of its troops and settlers in 2005, ending a presence inside Gaza that began in 1967, but maintained near complete control over the territory's borders.

All settlements on occupied Palestinian land are regarded as illegal under international law, regardless of whether they were approved by Israel.

[https://www.timesofisrael.com/liveblog\\_entry/report-ex-uk-pm-blair-eyed-as-mediator-on-post-war-gaza-including-resettlement-of-palestinians/](https://www.timesofisrael.com/liveblog_entry/report-ex-uk-pm-blair-eyed-as-mediator-on-post-war-gaza-including-resettlement-of-palestinians/)

"Former British prime minister Tony Blair is reportedly being eyed by Israeli leaders to serve as the mediator between Jerusalem and moderate Arab countries on post-war Gaza and a controversial Israeli aim of having other nations absorb residents of Gaza who leave the Strip.

Blair arrived in Israel last week and met with Prime Minister Benjamin Netanyahu and war cabinet minister Benny Gantz, Channel 12 news reports, without citing a source. The report says that if the plan materializes, Blair will be in charge of

checking the option of countries receiving Gazan refugees.

The reported development comes as the government is yet to discuss the fate of Gaza after the ongoing war, as planned discussions have been delayed by Netanyahu, for fear of sparking a coalition crisis.

Far-right coalition parties are pushing for resettling parts of the Strip and encouraging Palestinians to leave the enclave, and are flatly ruling out any post-war plan that includes a governing role for the Palestinian Authority in Gaza. This puts the government at odds with demands from the United States and other international allies.

<https://www.theguardian.com/commentisfree/2024/jan/09/israel-media-gaza-benjamin-netanyahu-settler-movement>

"Since the outbreak of the Israel-Gaza war, Israelis have been glued to their TV sets and scrolling through news and social media. The ordinarily news-obsessed public has become even more engrossed, and the war has seen the propagation of a point of view that for much of Israel's media history has been marginal, but has now reached its apex: that of the settler far right.

The settlement movement, originating as a small vanguard of religious Zionists, has expanded exponentially since Israel's occupation of the West Bank and Gaza after the 1967 six-day war. Once perceived as bearded, outsider men patrolling the Hebron hills with Uzis, settlers have significantly increased their influence, becoming key political players. Recent elections have elevated some of the movement's most extreme figures, such as Itamar Ben-Gvir and Bezalel Smotrich, to high positions in government.

This didn't happen overnight. A significant reason for the settlers' success is a sustained effort, in collaboration with the prime minister, Benjamin Netanyahu, to infiltrate mainstream media and create media outlets devoted to settler goals, so reshaping Israel's political discourse."

An Israeli crowdfunding platform, IsraelGives, has allowed US residents to donate millions of dollars since 7 October to causes including illegal West Bank settlements, paramilitary groups, and Israel Defense Forces (IDF) units currently operating in Gaza and the occupied West Bank.

Legal experts say that some of these campaigns may be illegal under US tax law, but that this is rarely enforced on donors to Israeli causes.

While contributions from wealthy US non-profits or individuals to illegal settlements have been previously reported, IsraelGives's established crowdfunding platform, attached to an international network of linked non-profits, may allow smaller donors in the US and beyond to claim tax deductions on funds sustaining war and settlement in the occupied territories."

Dear Cyril Ramaphosa,

I know you are very busy with tomorrow's hearing in the ICJ or not, as it's straightforward to prove that the State Of Israel had the intent to commit genocide and is committing genocide at this very moment in time and killing their civilian hostages too. I want to make it clear I hold the United States Government responsible for colluding with the State Of Israel in acts of genocide against the Palestinian civilians in the West Bank and Gaza, including their actions against all of the Epstein victims and myself.

I strongly condemn the atrocities committed by Hamas, including murder, rape, kidnapping and hostage-taking against innocent Israeli citizens on the 7th of October, which consisted of the elderly, men, women, children and babies. I greatly respect Israel, so please know my defence against the Israeli government must in no way reflect my feelings toward the people of Israel, whom I'm also trying to protect against their Israeli government.

I greatly respect the Middle East, the West, and our home, Africa. Along my journey, I have learned that we all have different cultures and ways of doing things, and compromises must be made between governments to achieve peace for all civilians.

The fact that tomorrow, South Africa, who have deep scars of pain and suffering because of apartheid, will be arguing in an international court of law against the Israeli government on acts of genocide means that, internationally, on public forums and opinions, they have already lost the war and credibility. I also ask that the international court hold the leaders of Hamas accountable in the ICJ along with the State Of Israel. Maybe we can get a two-for-one-package deal from the ICJ: buy one, get one free.

As a victim who was raped repeatedly, sold into sex trafficking by another, starved, tortured, and effectively held prisoner by the Israeli and the United States government since the age of 22, along with hundreds of other young women and children, I feel that I must speak against the State Of Israel so they can in no way shape or form use ANY rape, sexual assault, kidnapping or being held hostage as PROPAGANDA in a means to justify the killing of 23,357 innocent civilians mainly comprising of woman and children and 59,410 injured civilians.

IF THEY DO, THE FBI, EPSTEIN ESTATE, ISRAELI AND US GOVERNMENT MUST RELEASE THE FOOTAGE AND VIDEOS OF MYSELF AND THE 100'S AND THOUSANDS OF EPSTEIN RAPE AND SEX TRAFFICKING VICTIMS, WHO WERE YOUNG WOMEN AND CHILDREN.

I UNEQUIVOCALLY STAND BY MY ALLEGATION THAT EVERYTHING WAS FILMED IN ALL OF EPSTEIN'S PROPERTIES. AGAIN, I WOULD LIKE THE FBI, ISRAELI AND US GOVERNMENTS TO PROVE ME WRONG. I ALSO WANT THE TESTIMONY OF THE TWO HUNDRED OTHER VICTIMS WHO ARE AWAITING MEDICAL TRUAMA TREATMENT AND COMPENSATION FOR BEING RAPED, SEX TRAFFICKED AND TORTURED.

As a survivor of rape and trafficking by the Israeli Government and the United

States Government, I need the innocent Israeli men, women and children that were taken and raped repeatedly to know my heart has always been with them, along with my prayers. I take small comfort that the Israeli survivors, especially the victims of rape and sexual assault, are being given extensive medical care and trauma counselling, as per reported below.

<https://www.theguardian.com/world/2023/dec/28/many-hostages-released-by-hamas-still-being-treated-for-trauma>

It has also been reported that "147 Palestinians were killed and 243 injured in the past 24 hours. 1.9 million people, or nearly 85% of the total population of Gaza, are estimated to have been displaced from their homes. Only 15 out of Gaza's 36 hospitals are partially functional. This alone is a war crime.

330 Palestinians have also been killed in the Israeli-occupied West Bank over the same period, including 84 children, and nearly 4,000 people have been injured by Israeli security forces during that time".

Honestly, I got those figures from The Guardian News and copied them; seems that everyone has their knickers in a twist about plagiarism these days, which reminds me I will be writing to Harvard and MIT demanding a full investigation into their close ties with Epstein, Dershowitz and others, including [REDACTED] [REDACTED]. All the victims, including myself, were wearing Victoria's Secret clothing whilst being raped and trafficked, and many others were sex trafficked by falsely being promised modelling contacts with Victoria's Secret, including another South African victim [REDACTED] [REDACTED].

Getting back on point, whilst I was suffering from my own trauma yesterday, I almost fell on the floor. Then I jumped like a cheerleader when I heard David Cameron, the United Kingdom's Secretary of State for Foreign, Commonwealth, and Developmental Affairs, testify to the following:

I quote again from the Guardian News in the link provided below:

<https://amp.theguardian.com/world/2024/jan/09/uk-government-accepts-israel-has-legal-duty-to-provide-basic-supplies-to-gaza>

"The British government has accepted that Israel as an occupying power had a duty under international humanitarian law to provide basic supplies to the people of Gaza.

The admission came when David Cameron, the foreign secretary, urged Israel to remove barriers on the delivery of humanitarian aid into the territory that were risking "real, widespread hunger".

"Challenged about whether Israel had a legal duty as the occupying power to supply water to Gaza, Cameron conceded Israel ought not to have turned supplies off, and should restore water."

"The foreign secretary was at his most critical of Israel in describing the blockages to aid reaching Gaza, saying: "We're at about 150 trucks a day getting into Gaza, we need to be closer to 500. Every day that we're not closer to 500, we're going to have more people going hungry, we're going to have more people getting disease, there is a danger of there being real widespread hunger. At the moment, something like 90% of Gazans are getting less than one meal a day."

Mr Ramaphosa, please can you watch this link provided by the BBC below of David Cameron's response yesterday to Israel turning off Gaza's water supply to 2.3 million civilians. I believe this was done straight after the 7th October Hamas attack.

<https://www.bbc.com/news/av/uk-politics-67926799>

SO LET'S BE VERY CLEAR THAT THE ISRAELI GOVERNMENT TURNED OFF GAZA'S WATER SUPPLY TO 2.3 MILLION CIVILIANS MONTHS AGO, AND DAVID CAMERON WILL TESTIFY TOMORROW TO THAT FACT!

The reason why I want you to get a medical professional to testify in tomorrow's hearing is that NO HUMAN BEING ON EARTH, INCLUDING THE ICJ JUDGES AND ISRAELI DEFENSE LAWYERS, CAN MEDICALLY SURVIVE WITHOUT WATER!! I give a max of 5 to 6 days to everyone in tomorrow's hearing

to survive without water.  
I'D LIKE YOU TO APPLY THE SIMPLE  
BASIC RULE OF THREE FOR  
SURVIVAL IN TOMORROWS HEARING:  
[https://en.wikipedia.org/wiki/Rule\\_of\\_threes\\_\(survival\)#:~:text=Normally%2C the rule of threes,three days without drinkable water.](https://en.wikipedia.org/wiki/Rule_of_threes_(survival)#:~:text=Normally%2C the rule of threes,three days without drinkable water.)

I quote again for Harvard's entertainment.

"Rule

-----

Normally, the rule of threes contains the following:

- You can survive three minutes without breathable air (unconsciousness), or in icy water.
- You can survive three hours in a harsh environment (extreme heat or cold).
- You can survive three days without drinkable water.
- You can survive three weeks without food.

Each line assumes that the one(s) before it are met. For example, if you have a large quantity of food and water yet are exposed to the environment, then the harsh conditions rule applies. The rule may sometimes be useful in determining the order of priority when in a life-threatening situation, and is a generalization (or rule of thumb), not scientifically accurate.[5]

Additional generalizations may be presented with the rule, though they are not considered part of the "Rule of threes" and are also usually not scientifically accurate. For example, it might be said that it takes a three-second psychological reaction time to make a decision during an emergency, [1] that you can survive 3 minutes in icy water,[5] or that an individual can last three months without hope (or companionship).[6][5][7]

Accuracy

-----

### Water

The amount of time a person can survive without a source of water (including food which contains water) depends on the individual and the temperature. As temperature increases, so does water

loss, decreasing the amount of time a person can survive without water. The longest anyone has ever survived without water was 18 days.[8] The source of the "3 days" number likely comes from an experiment two scientists did in 1944 where they ate only dry food for a period of time; one ended the experiment at 3 days in, and the other at 4 days in. However since they stopped the experiment before being in any real danger, the actual survival time at room temperature likely exceeds 3-4 days. [8] However, at temperatures greater than room temperature, dehydration can occur very quickly, and death can occur in a matter of hours rather than days. In these cases people typically die of heat stroke first, not terminal dehydration. [8] One person was purported to survive 7 days in the desert, 6 of these without water, without suffering heat stroke as the temperature reached no higher than 103.2 °F (39.6 °C) during his ordeal. [9] However, he had reached the third stage of dehydration, which is 80-90% fatal; this likely represents an upper limit of survival at high temperatures.[9]"

\*\*\*\*\*

Mr Ramaphosa, no medical professional in the world nor defence attorney can argue with basic human biology and what lack of water does to **EVERY** human body, **EVEN YOURS**, within days of **NOT HAVING ANY WATER!!!**

I also attach the following article for your viewing,

<https://www.scientificamerican.com/article/how-long-can-the-average/>

Please also read the following article too.

<https://www.hrw.org/news/2023/11/16/israeli-authorities-cutting-water-leading-public-health-crisis-gaza>

I quote again,  
"On November 11, the head of the UN Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) said: "Every little girl and boy I met in an UNRWA shelter [in Gaza] asked me for bread and water."

After October 7, the Israeli government shut off the pipes that supply Gaza with water. It has since only resumed piping water to some parts of southern Gaza while some water has entered via Egypt,

but it's not reaching everyone and is not nearly enough to meet the needs of Gaza's population, requiring many to rely on the local water supply. According to the UN however, more than 96 percent of the water supply in Gaza is "unfit for human consumption." Wastewater and desalination facilities were shut down in mid-October due to fuel and electricity shortages and have been largely inoperable since, according to the Palestinian Water Authority." I generally don't know what the ICJ constitutes as genocide, but this is the ICC's definition attached below:

<https://www.icc-cpi.int/about/how-the-court-works#:~:text=First%2C%20the%20crime%20of%20genocide,%20conditions%20of%20life%20calculated%20to>

I again quote the ICC's DEFINITION OF GENOCIDE.

"The Court's founding treaty, called the Rome Statute, grants the ICC jurisdiction over four main crimes.

First, the crime of genocide is characterised by the specific intent to destroy in whole or in part a national, ethnic, racial or religious group by killing its members or by other means: causing serious bodily or mental harm to members of the group; deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; imposing measures intended to prevent births within the group; or forcibly transferring children of the group to another group.

Second, the ICC can prosecute crimes against humanity, which are serious violations committed as part of a large-scale attack against any civilian population. The 15 forms of crimes against humanity listed in the Rome Statute include offences such as murder, rape, imprisonment, enforced disappearances, enslavement – particularly of women and children, sexual slavery, torture, apartheid and deportation.

Third, war crimes which are grave breaches of the Geneva conventions in the context of armed conflict and include, for instance, the use of child soldiers; the killing or torture of persons such as civilians or prisoners of war; intentionally directing attacks against hospitals, historic monuments, or buildings

dedicated to religion, education, art, science or charitable purposes.

Finally, the fourth crime falling within the ICC's jurisdiction is the crime of aggression. It is the use of armed force by a State against the sovereignty, integrity or independence of another State. The definition of this crime was adopted through amending the Rome Statute at the first Review Conference of the Statute in Kampala, Uganda, in 2010.

On 15 December 2017, the Assembly of States Parties adopted by consensus a resolution on the activation of the jurisdiction of the Court over the crime of aggression as of 17 July 2018."

So, let's be very clear that the Israeli Government turning off Gaza's water supply not only constitutes a war crime but genocide of an entire population. Fact! And any doctor or medical professional will say the same. If they don't they should have their medical licence revoked.

\*\*\*\*\* Now, I would like to prove the intent to commit genocide by the Israeli government of Palestinians in Gaza.

When I read that the Israeli government was flooding Hamas tunnels with seawater, I went bonkers, especially as the Israeli government cut off Gaza's water supply to an entire population. I would like you to read the attached article, again from the Guardian,

<https://www.theguardian.com/world/2023/dec/23/israel-flooding-hamas-tunnels-seawater-risks-ruining-basic-life-gaza-expert>

I went nuts because it didn't make sense as a gardener. However, it turns out I was right to go bonkers about it because I quote again from the article above,

"A potential plan by Israel to flood the Hamas tunnel network with seawater risks "ruining the basic conditions for life in Gaza", one of the elements of the crime of genocide, a senior hydrologist has told the Guardian.

Environmental experts have warned the strategy – which Israel has yet to commit to – risks causing an ecological catastrophe that will leave Gaza with no

drinkable water and devastate what little agriculture is possible in the 141 sq mile territory.

The UN special rapporteur for the right to water, Pedro Arrojo-Agudo, compared it to the legend of Romans' salting of the fields of Carthage to render uninhabitable the territory of their ancient rival. The rapporteur for human rights and the environment, David Boyd, said damaging Gaza's sole water supply would be "catastrophic" for the environment and human rights"

"Media reports, photographs and satellite imagery suggest the Israel Defense Forces (IDF) have set up pumps at al-Shati refugee camp on the eastern coastline of the Gaza strip, which they could use to pump millions of gallons of seawater into the tunnels used by the militant group.

Israeli soldiers reportedly began trialling pumping seawater into the subterranean network last week, in an effort to drive Hamas's militants above ground and deny them a significant strategic tool."

Mark Zeitoun, director of the Geneva Water Hub and professor at the Geneva Graduate Institute, said seawater pumped into the hundreds of kilometres of tunnels crisscrossing the porous, sandy soil of Gaza would inevitably seep into the aquifer that its 2.3 million residents rely on for about 85% of their water.

Zeitoun, who has worked as a water engineer for the UN in the occupied Palestinian territories, said the aquifer was already badly contaminated from wastewater and from seawater infiltration caused by years of overabstraction.

"If you add more seawater directly, right on through the sand into the aquifer, it's not going to turn a top-quality resource into a vulnerable resource, it will turn a vulnerable resource into a catastrophic one," Zeitoun said.

He said the contamination would be such that current neighbourhood-level reverse osmosis desalination methods used by Palestinians in Gaza to treat their water would no longer be feasible.

"It would ruin the conditions of life of everyone in Gaza," he said. "I say the conditions of life because I think that's one of the elements of genocide within the UN convention, the partial or complete physical destruction of the conditions necessary for life of any people.

"Flooding the freshwater aquifer with seawater would go against every norm humanity has ever developed, including the environment aspects of international humanitarian law/rules of war and the recent principles on the protection of environment in relation to armed conflict and all the progress made towards criminalising harm to the natural environment: ecocide."

Wim Zwijnenburg, a researcher for the Dutch NGO Pax for Peace, who investigates the environmental impacts of war, warned of additional dangers. "We don't know what's stored in the tunnels," he said.

\*\*\*\*\* On the 15 December, it was reported by the Times Of Israel

<https://www.timesofisrael.com/idf-trial-of-flooding-hamas-tunnels-with-seawater-proves-successful-toi-told/>

I quote again,

"Israel's reported attempt to pump seawater into the vast network of tunnels beneath Gaza was a success, The Times of Israel learned Thursday, as the army warned of "new combat methods" to deal with terrorists hiding underground.

The Wall Street Journal reported on Tuesday that the IDF had started pumping seawater into Hamas's underground tunnel system, a move aimed at destroying the Palestinian terror group's subterranean network of passages and hideaways and at driving its operatives above ground.

IDF Chief of Staff Lt. Gen. Herzi Halevi said last week that flooding the tunnels was "a good idea" but wouldn't comment further."

So Mr Ramaposa, I'm tired now as it's been a long day. I hope this one point alone of water supply clearly demonstrates Netanyahu is committing

genocide and had intent to commit genocide for tomorrow's hearing.

Good luck.

Kindest Regards

Again, please can you send me that list of all media requests so I can reach out after I prove the State Of Israel is committing genocide with clear intent.

Also, James and [REDACTED], please forward me Gloria Allred and Lisa Bloom's contact details because I would like them to join me in my next media interview.

On Wednesday, 10 January 2024 at 16:03, [REDACTED] wrote:

Hi James and [REDACTED],  
Thank you for the update below.

I'm afraid I have to disagree with you that doing media interviews will be disadvantageous for me. I firmly stand my ground on this one as I stand by all of my allegations with evidence to support each claim.

I want to explain why I think it would be a MASSIVE ADVANTAGE to all the Epstein victims and me, especially after the last 24 hours and how the media has completely and utterly destroyed me publicly, using me as political collateral damage to hide crimes of rape and sex trafficking, knowing that they all don't

have a leg to stand on trying to discredit me, especially with all the evidence I've sent to the media backing up my allegations including JP Morgan emails and Citi Bank emails during the time I was trafficked and after when Adam followed me to London and lived in my house and prevented me going to authorities in 2007 and 2008 whilst the plea bargain was being negotiated by Alan Dershowitz who has worked on behalf of the State Of Israel for decades. Can you believe the cheek of both Alan and Adam?!

Also, I have photos of other rape and sex traffic victims standing right next to me on Epstein's Island that were used in both recent bank class actions. I've been trying for seven years to get those other victims in court to testify and corroborate my story, especially of how my starvation was used as entertainment and torture for all over an extended period, along with being raped repeatedly and sex trafficked. Again, the email correspondence between [REDACTED] and me proves that very, very, very nicely. So, thank you, [REDACTED]. Would you still like me to send you naked pictures? Did you enjoy looking at them before you sent them to Jeffrey? Again, your other email to me demonstrates that, along with, I'm sure, the other 200 victims we have yet to hear testimony from. I've attached the relevant email.

I want to explain fully in my interviews how the extended period of starvation inflicted on me at the hands of Epstein, Maxwell, [REDACTED], and co for entertainment and torture over a long period affected my body's physical and mental well-being considerably as I suffered significant health consequences. I've attached an article below highlighting what the starvation did to my body.

[https://www.medicinenet.com/how\\_long\\_does\\_it\\_take\\_to\\_die\\_if\\_you\\_dont\\_eat/article.htm](https://www.medicinenet.com/how_long_does_it_take_to_die_if_you_dont_eat/article.htm)

I feel this is important, especially now, because I would like to highlight what the current Israeli hostages and the 2.3 million innocent civilians in Gaza are currently experiencing right now,

seeming as I know what starvation being used as a weapon feels like.

I'm also very conscious of the fact that 2.3 million innocent civilians, including women and children, are on the brink of famine. I've attached some articles below, so I would like to highlight this in my following interview.

<https://www.hrw.org/news/2023/12/18/israel-starvation-used-weapon-war-gaza>

<https://edition.cnn.com/2024/01/05/middleeast/gaza-famine-un-warning-intl-hnk/index.html>

<https://time.com/6552740/gaza-israel-starvation-hunger/>

James and [REDACTED], as you know, I'm three months pregnant. I have attached my latest scan, taken on the 2nd of January 2024 (please send it to Kier Starmer to remind him what a biological woman is, seeming as he has forgotten and is potentially the United Kingdom's next leader). Yesterday, I had an appointment at the hospital with four medical professionals: two psychiatrists, a paediatrician, a gynaecologist and the father of my baby.

(Heaven above only knows what those poor pregnant women and new mothers are going through in Gaza and the West Bank, especially their unborn and new babies, and how they both are coping. I know the stress I, my body and my mental well-being are going through, and I feel truly blessed to have the medical care facilities available here, which is why it's imperative they get medical care, too. That's a fundamental human right, and they don't have ANY HOSPITALS TO GO TO or MEDICAL FACILITIES or TREATMENT! - THE PUBLIC NEED TO KNOW THIS!!! Can you imagine giving birth to your new baby in human faeces and raw sewage!)

And I can assure you both this appointment is very much recorded. Hopefully, the US and Israeli government won't delete them this time. Again, I'm still waiting for the UK government to open a complete inquiry about why my medical records were deleted. I have the photo of my

first suicide attempt due to extreme trauma suffered because of Adam, Epstein and co, so where are my records? I have an email from the NHS confirming my records are NOT there, so I want an inquiry done immediately as they are vital evidence.

You see, this is especially important why I do need to do interviews because all need to know that since Epstein put me on medication at the age of 22 to subdue my trauma of being raped and trafficked daily, I have continually been on medication since then. Due to the nature of my trauma now, and especially after the last traumatic 24 hours of the media's unbiased, disgusting reporting and the previous seven years of fighting for justice, I am unable to come off my medication.

My pregnancy and birth have now been upgraded to medium risk, and my whole birthing plan has changed. My newborn baby will now have to be weaned off and monitored straight after birth because of the medication I am on due to trauma, which was prescribed to me after my second suicide attempt in 2018. However, that means I can't breastfeed, can I? Breast is best, so now my child will NOT have my breast, RESULTING IN MY NEW BORN BABY NOT HAVING THE BEST, MOST NATURAL NUTRITIONAL START IN LIFE!

You have, and I'm sure the media have seen the photos of the suicide attempt with two broken feet put together with nails. A fractured back, which resulted in me being in a wheelchair for three months because of the abuse suffered by Epstein and co, the abuse of my then attorneys during MY LITIGATION, WHICH WAS SETTLED AND UNFAIRLY SETTLED BECAUSE I SIGNED UNDER ENORMOUS DURESS FROM MY THEN ATTORNEY'S AND HIGHLY MEDICATED. I WANTED TO GO TO THE TRIAL, AND MY THEN ATTORNEYS PREVENTED ME DOING SO. IF THEY DIDN'T THINK I WAS CREDIBLE, THEY WOULD NEVER HAVE REPRESENTED ME IN THE FIRST PLACE!

You see, the medication I am on now is essential in my interviews because it was prescribed to me after the suicide attempt, which was also massively influenced by being in hiding due to the actions taken by [REDACTED] Callahan and, again, Dershowitz and The New York Post. You see, I had to go into hiding for two years because of their actions and The New York Posts and Epstein locating me in Barcelona. I have a very, very solid and credible witness to verify this. Again, I have an email from Epstein to another sex traffic victim, as you know, looking for me in January 2017. Again, I'm looking forward to Callahan's article on the matter.

As a Marsh Law Firm client, I'm advising you to please send me a complete list of all media requests made for me or forward me all requests by the end of the day so I can personally respond to each one or arrange an interview.

This is very beneficial because I can show the public and the media every piece of my evidence. I have waited years to show the public everything I have.

Also, I would like to set up an interview with Richard Branson, Bill Clinton, Donald Trump and David Boies and publicly address that made false allegations that I had videos of them to [REDACTED] Callahan when I first came forward in October 2016. I want to explain how traumatised I was publicly and will show them all my evidence on a world stage. As you guys know, David has seen my evidence before, so this bit will be boring for him. I will also tell them to their face on a world stage that I retracted those claims in the first call with David, Sigrid, Paul Cassel and the other attorneys in October 2016 and will be on record too. I have a witness to verify that, and David can confirm this in our group interview. I would like to set up.

I would like to publicly get on my knees and beg for their forgiveness for Branson, Clinton and Trump because they can't sue me for definition; I don't have any money. I

guess this is the next best thing because even when I get compensation for being raped, and sex trafficked, I don't think they would want to take that because I've offered to get on my knees and beg for their forgiveness publicly.

However, after I've done that, they must explain their relationship with Epstein and co, especially Bill Clinton. I think it's important we have full transparency here. Again, I would like David and Clinton to address these two articles attached below, and I want to ask Boies why he didn't just subpoena Bill at dinner. They were sitting together in December whilst representing [REDACTED] [REDACTED]. I also think Branson is pictured with Epstein, but I'm not sure if that's a rumour but I'm sure Branson will clear that up when we sit together in our interview.

I will also tell them I stand by the one million per cent allegation that everything was filmed and that the FBI and Epstein Estate have those recordings. I would like the FBI and Epstein estate to prove me wrong.

I also want David Boies and Sigrid and Brad to explain why I received an email from [REDACTED] [REDACTED] earlier today, which I'm sure would very much like a public apology from Bill Clinton, seeming as he aided with her sex trafficking as to why she is yet to hear from the attorneys or the administer who has just taken \$109 million for compensation from their 150 clients excluding all the other victims or doing their job  
**EXCLUDING THEIR 2.5 MILLION LEGAL FEES.**

I've attached the email for you guys. Please reach out to [REDACTED] and give her the information you gave me yesterday so she can further pass that on to the other rape and sex traffic victims.

James and [REDACTED], seeming as if I'm running out of time, and I'm aware of the hearing with South Africa stating why the State of Israel is committing genocide, I have included the ICJ in this email, including the South African government.

Please follow up immediately with the South African government, like NOW, and tell them they need to get a medical professional to the hearing tomorrow. This is imperative to proving their case very, very easily on genocide and intent to commit genocide, which I will explain in my next email, which will follow shortly. They must start organising this NOW for testimony for tomorrow.

Kind regards

[REDACTED]

P.s can all in this email contact SA to ask them to find a medical professional for tomorrow's hearing NOW!!! Stand by I'm working as fast as I can.

Yesterday there were several documents which were not identified but there is some indicia that they were excerpts of emails from you to a NY Post reporter alleging abuse by Trump, Clinton, Branson and others, including videos, and then retracting those statements. Since then, we have been inundated with media requests for you and us. We have declined or ignored those requests since we do not see a benefit for you and see a lot of potential downside and disadvantage. We recommend that you decline as well.

You all failed to mention in your reporting that majority of photo's that you all have been using to publise the Epstein case for years came directly from me. I have attached a few.

Isn't it interesting that [REDACTED] claim against Andrew is based on a photo no one has ever seen yet you've been using ALL of my photos for years. Interesting isn't it, yet you've publically discredited me.

I also ask that you interview Boies, Sigrid, Stan, and Brad and my ex Peter who was there the time of the writing of the emails. Those lawyers will tell you as its because it's been recorded that I notified them about the false allegations in the very first phone call I had with them.

I would also like you to point out I never signed an affidavit nor did I make those claims in court of law. I addressed those allegations right from the beginning in the very first call with the lawyers.

It's not like I was half way through litigation and decided " I may have made a mistake'. That would be contempt of court for wasting time?

I stand by every allegation I have made along with all my evidence and witnesses who will testify under oath.

Be careful to the media, we don't want another [REDACTED] moment especially with inaccurate unbiased reporting especially when it concerns a rape victim.

\*\*\* Only one journalist has reached out to me for comment on the release of my documents. Yet almost every single media outlet has written or attempted in their unbiased reporting to smear me, discredit me and undermine my credibility. Today's irresponsible reporting and the lack of contact with me for comment clearly demonstrates unbiased journalism, which is harmful to a victim of rape and sex trafficking. This must be noted in the ICJ and South Africa when I put forward my case. I would like to remind the media to be fair and include my personal comments below on the matter.

I want to thank Netanyahu, the United States Government, and the media for proving everything I have said in prior emails on a world platform. Actions and words are very different, especially in a court of law and under oath. Today, it is evident enough reason that those I have named must be held accountable in an international

court of law. Let me be clear: public perception is fine with me; I didn't come forward and fight for justice for decades to be famous or wealthy. The truth matters, and I'm happy for it all to come out now, especially under these grave and urgent circumstances. The sooner, the better because lives are at stake, and that's what's important here.

To date, not one media outlet has published a supportive article of me nor included any emails of Adam Castellani, who was the Vice President of JP Morgan or his Citi Bank emails or [REDACTED] and [REDACTED], the girl who recruited me emails; I have sent to corroborate my story.

Why is that? You also failed to mention who is in the pictures you've just published in a media attempt to smear me, including [REDACTED], the lead plaintiff in the JP Morgan class action, which has now been settled, and all Epstein victims, including myself, are waiting for compensation or [REDACTED], who will corroborate JP Morgan's involvement in aiding and abetting Epstein sex trafficking ring for decades with her direct correspondence with [REDACTED] Staley at the same time as I have emails with Adam. I would also appreciate it if the media would remove and stop using the photo of me in a purple bikini, as that was taken when I was in Jean Les Pins in 2012 while working in the yachting industry. If you will use photos, please use the correct ones, including the ones of Adam and me.

Today, I wrote a crucial open email requesting to be a representative of the State of South Africa at the hearing at the ICJ, and astonishingly, of all the days the US released documents regarding me, the media have used it as an apparent attempt to smear and discredit me. This extraordinary timing is why South Africa must hear what I say and pay close

attention. The fact that the US and the media today have tried to discredit me by sensationalising one fact but failing to add the rest of my supportive evidence and in the astounding aggressive nature of the journalism, knowing the evidence I do have, which you all have been sent, shows collusion, which is precisely one of the reasons Benjamin Netanyahu is currently on trial in the first place proves much.

I look forward to furthering my case against every witness I have named to date and holding them accountable for the horrific crimes committed against me and thousands of others. I also look forward to testifying under oath in an international court of law alongside every person I have named, including journalists and certain media outlets, including the lead attorneys.

I also look forward to the opportunity to further aid South Africa to prove their case against the Israeli Government.

Thank You.

But isn't David Boies, Bill Clinton's long term closest friend?

They were all pictured together having a lovely dinner in December 2016 whilst he was mine and ██████████ attorney! ██████████ must be shocked and mortified of her own attorneys close association with Bill Clinton whom she met on Epstein's Island along with Al Gore? Isn't Boies, the Clinton's long term attorney too? This is massive news? No?

Why is the media not  
informing the public of this  
crucial information??

To All,

I appreciate it's the  
holidays, and everyone is  
stuffing their faces, having  
fun with family and friends,  
etc.. However, there is an  
urgent matter at hand which  
I'm very, very concerned  
about.

A UN resolution was passed  
on the 22nd of December  
for delivery of aid, food,  
water, and medical supplies  
to the starving millions aside  
from  
the innocent Palestinians  
that are being murdered in  
hundreds by the day and  
have lost their homes and  
live in sewage where  
diseases are spreading  
rapidly. Let's start with  
feeding the starving, never  
mind stopping genocide  
which it is clearly now.

Please understand the  
hostages will also be  
starving, perhaps wounded  
and in desperate need  
(that's if they don't get shot  
by the IDF).

Since the UN resolution was  
passed, I have seen no  
media coverage of ANY aid  
deliveries into Gaza?

Are aid and food being  
delivered? Again, I  
understand it is  
the holidays, but please  
could someone, anyone,  
check that food water and  
medical supplies are getting  
through for the starving  
Palestinians and hostages?

Has the Netanyahu  
Administration and the US  
government adhered to the

UN resolution passed on the 22nd of December? Has the daily quota of delivering simple necessities for the 2.3 million human beings to survive been fulfilled? If not, please report it and help.

In the New Year, I will be applying for a job at the UN because I'm NOW of the assumption that all UN ambassadors lack all common sense, compassion, humility and love for others other than themselves and their self-interests. (I don't think they will hire me, but God loves a trier, right? That's my motto because even if I fail, I will know in my heart I did everything to protect another innocent human being from death and suffering)

The UN has demonstrated that its purpose is NOT to achieve world peace and order but to self-serve. If I'm candid, which sometimes I can't help myself be because the truth is the respect and admiration I have for "world leaders" is well below ZERO through my own lived experiences of extreme cruelty for decades, just like I know the other Epstein victims have suffered (except [REDACTED]), I often wonder what the UN does all day? The UN has demonstrated that it is an ineffective, biased institution that applies the mentality of different rules for different countries.

The UN still hasn't even acknowledged or attempted to help with all the Epstein rape and trafficking victims and myself (except [REDACTED]). We all (except for [REDACTED]) still know nothing, not even a single word.

Just darkness, all day, every day? Being kept prisoners, not knowing when we will be set free (except Virginia).  
THIS IS NOT GOOD  
ENOUGH, AND YOU  
SHOULD BE ASHAMED.

I hope [REDACTED] sent some presents or well wishes to [REDACTED] children, who have had to spend their first Christmas without their mother. Or her mother or brother (especially her brother) who told her husband to take her to the hospital there days before her death due to her being readily unwell.

I dread the day they find out what happened to their Mum, which will be soon. I very much look forward to Lucia's and John's testimony under oath about where all her evidence is, the private investigator that was sent numerous times to intimidate, being offered a stack of money in Florida, etc.

Didn't [REDACTED] fire her attorney after the Ghislaine Maxwell trial because she found out there was a conflict of interest due to him being linked to [REDACTED] and Boies? I'm surprised Lucia isn't shouting about all of this!! I know because I spoke directly with [REDACTED] with John present.

One has to wonder if all UN Parties smoke bongs or crack pipes like Hunter Biden all day, who has yet to disclose what he did as a high-paid employee for David Boies. Indeed, this is of public interest. What did Hunter do that was such a big secret?

I'm so pleased that his father is pardoning those

who have been incarcerated in prison for years for smoking weed or carrying a gram or two of weed. I even made that point to [REDACTED]

[REDACTED] in 2019 as to why weed smokers are in prison, yet rapists and paedophiles walk free? Never mind the crack pipe smokers; get the weed smokers for the terrible, awful villains that are wrecking the world and causing havoc! Kids don't smoke weed, smoke crack like Hunter, then you won't go to jail. Awesome start to the New year!

In the latest round of [REDACTED] PR machine hard at work, and all newspapers getting all excited and into a frenzy again to regurgitate the same old Andrew story over and over again to make more money (Dick has still NOT signed off on the release of the flight logs) it has puzzled me that in her latest round of X posts, there is not even half a millimetre sense of distress, turmoil, or trauma which most Epstein victims and myself are currently experiencing day after day, month after month, which is a clear indication that she is NOT being kept in the dark and living in isolation, fear and deafening silence as to what is going on with both class actions which affects hundreds of rape victims and myself or what her future holds. She has that sussed already with her PR agent and public image rebrand. 2024 is going to be a biggie for her clearly.

If she was kept in the dark like the rest of us, I can assure you she would be just as distressed; Lord, the entire galaxy would know and be in every newspaper in the world!!! Her PR machine will be in overdrive,

so much so it will start smoking from overheating. Holy Shit, there would be world war 3, 4 and 5 if [REDACTED] didn't know anything about her compensation, never mind the rest of us who genuinely care about justice and one another. Isn't Boies her lawyer? Why is she not begging him for information?? Why is she not concerned, or has she shown concern for the hundreds of other victims?

As [REDACTED] [REDACTED] works very, very closely with Boies and co and has done so for many many many years and is the spokesperson woman for every single Epstein Victim, myself included, and is the only Epstein victim well who seems to have been raped and trafficked in the decades-long Epstein sex trafficking ring which she recruited for please can someone ask her to update all the victims including the ones that are still alive whom she sold into sex trafficking as children and myself on X about what's happening?

Again has anyone checked where the other victims she recruited to be raped repeatedly are? Are they, too, being represented by Boies in the JP Morgan class action, as they have the vast majority of Epstein victims as clients?

Wouldn't that be considered a massive huge gigantic conflict of interest if Boies was representing all the [REDACTED] rape victims that she recruited? How is that possible? I fear for their safety and don't believe they will be treated fairly, as I have clearly demonstrated extreme bias. Seems as if there is a clear, definite

hierarchy of victim values to the lawyers for their clear agendas.

We all suffer greatly, and many others are in the same boat. Please can someone, anyone, [REDACTED] to alleviate our distress and update us on our futures, seeing as she is our spokesperson, bearing in mind we were all raped and trafficked, hence being a class action. I know she is busy rebranding her image, and it is clear to me she has this information, but a few simple, quick updates will do.... Anything. Please beg her to spend a thought for the rest of us as we desperately want our freedom, too.

Also, can she please advocate for releasing the Epstein flight logs, which are of exceptional importance for justice?? Why hasn't she been advocating for this?

Bill Gates, I'm trying to contact you and desperately need your help, please, as I believe you're being thrown under the bus again, just like Ehud Barak. I know the Israeli elections are coming up in January or are supposed to, and Rupert and Boies published only your two pictures. I must understand why, especially considering your decade-old feud with the Boies in 2000. Wasn't the Clintons who commissioned the case against Microsoft and Boies the attorney? Bill, I need to understand what is going on. Please help us. This is 100% genuine, please help us.

You see, you "fired"

worked your PR

down to a fine art. A  
ruthless, nasty piece  
of work, she is Dawn,

close with her. You  
even announced it on  
social media to  
"rebrand your image"  
after the Andrew

scandal and were being represented by your new agent, Dini von Muffling, so you can't deny this and be available for, well, lots of things one assumes having a pr agent organising events for their clients? A good one, anyway?

[https://www.thesun.co.uk/news/19020520/prince-andrew-accuser-\[REDACTED\]-\[REDACTED\]-monica-lewinsky-pr/](https://www.thesun.co.uk/news/19020520/prince-andrew-accuser-[REDACTED]-[REDACTED]-monica-lewinsky-pr/)

What's interesting here about Monica Lewinsky is that when the affair and blow job under the desk came out about Bill Clinton (David Boies's long-term best mate and client, I attached the picture again, which was taken in December 2016 whilst David was representing you and me in you're defamation case against Ghislaine maxwell), Bill's presidential rating skyrocketed. So, from a media perspective, good job, Bill.

<https://www.washington.edu/news/2001/01/22/media-driven-public-backlash-spurred-clintons-high-job-approval/>

But what's even more interesting here is that David Boies, you're attorney [REDACTED] (my ex-attorney), was repressing both Bill Clinton for his impeachment and Al Gore, the Vice President at the

same time you were being "trafficked" from 2000 -2002. Hence, it's weird that all these years later, you end up with the same attorney and, well, the same people again. You said you regularly saw Bill Clinton and Al Gore on Epstein's island... well you must have seen Boies, too, then, no?

PRINCE Andrew's accuser [REDACTED] [REDACTED] is working with Monica Lewinsky's PR to craft her image after her \$14million settlement with the Duke.

Ms [REDACTED], 38, is being represented by New York-based Dini von Mueffling,

What's also rather interesting is that Monika Lewinsky has a new release documentary or something interviewing strong women who have been shamed in the media and survived..... something like that as it's all gone rather quiet... eerily quiet about her new and exciting project.

It sounds like something you and Megan Markle would be super up for, considering it would only bolster Hillary Clinton's ratings whilst she aggressively "campaigns for Joe", actually herself.

We all know Joe won't make it to the

end of the next  
presidency (he can't  
make it to the end of  
the stage), so what  
do you think will  
happen?

Joe steps down, the  
VP becomes POTUS,  
and who do you think  
will be the VP?  
Hilary....Yay!!!

The Clintons have  
already done the  
Monika thing to death  
years ago in [REDACTED],  
and it's the same  
tactic they used back  
then, too. It's getting  
boring now. Can't you  
tell Hilary to take up  
knitting or  
something?  
Badminton maybe?

I first  
came

about  
my rape

2016,  
whereby  
I have  
not only

which  
this day  
I'm not

I may  
not have  
a

certainly  
have a

on  
Sunday,  
the 17th

December, along with his publication in the New York Post, not only directly implicates Rupert on a global platform but also, Boies, Brad, etc. and Netanya hu directly!

Please read the article below in the Wall Street Journal and know every word has been carefully choreographed to implement fear, blackmail and threats globally, ESPECIALLY TO THE UN; this must be taken urgently. I would go as far as issuing IMMEDIATELY INTERNALATIONAL ARRES

WARRE

I have attached the photo of the Polish Epstein rape and sex trafficking victim. The lawyers who are representing this poor victim have been carefully selected for their recent political agenda and have used Rupert's publication as a political weapon to divert attention away from their crimes and to threaten the UN particularly.

Please know that none of the Epstein Victims, to my knowledge, including myself, have been offered settleme

why  
when I

David  
Boies  
Saved  
Me".

<https://ww.nytimes.com/2017/11/15/opinion/david-boies.html>

Unbeknown to me,  
David Boies used me to deflect and de-escalate the escalatationg accusations and investigations into Boies' and Lisa

Bloom's behavior towards the Weinstei n rape victims and ongoing investigation as he was their client, and they used my anonymity for their personal use. It's in my grievanc e against the attorney s.

The Epstein rape victim whose attorney s, Bradley Edwards and Boies, who have just exploited and politicall y weaponised, is clear to me, a victim like many struggling, and the picture used depicts poverty.

I would also like to remind all that when they advertised for Ukrainian, Russian and Polish victims, it was made clear from the beginning they would only perceive a once-off PAYMENT OF AROUND \$75 000. I made a big thing of this right in the beginning.

Incredibly, there is no news coverage on that fact in advertising for Eastern Europeans Epstein victims, so I presume \$75,000 is correct for the payment, which

is being used as coercion and tactical methods used as international political weapon s, especiall y at times like these and especia ll y with the current conflict, Netanya hu administ ration and US elections to sway votes or agreeeme nts to their favour.

I  
Gates s

Boies  
was "out

2001,  
the Was

called  
Boies "a

"a latter-

and "a

- Also at

but after

the case

I would  
also like  
to use  
the

an

being

Netanya

manipul

Israeli

Netanya

once

using  
Barak's

divert  
Israeli

the

I also accuse the US Government of directly blackmailing the British government into supporting them by dangling the UK and US Trade Agreement over their heads for years. Any agreement signed anyway would effectively be coercion, and ALL COUNTRIES MUST TAKE IMMEDIATE STEPS TO SECURE THEIR COUNTRIES.
