Trump I want to ask you a very direct question. Cut the bull shit.

If Russia had Russian soldiers in the US killing its citizens right now how would you react?

If Russia and Mexico decided to build a military and Russian was to have all its military bases in the boarder of Mexico pointing at the US, how would you react?

If Russian bombs and etc were used in the killing of us civilians how would the US react?

I want an honest answer!!! How would the US react!!

Because the realty is this, you push, you push, you push, you push and then when one reacts you play like a little bitch and behave like the victim.

I'm fully aware Putin has already threaten to make [REDACTED]!!

How fucking DARE YOU PUT OUT OUR LIVES AT RISK FOR COKE HEAD CHARLIE DOWN THE ROAD!!

I appreciate you think that the US is a non-signatory to the ICC, but due to the nature of this case and what has happened, the US has forfeited that right, which I'll explain in a further email.

By the time I'm through with you, not only will JP Morgan

Boies, Edwards, etc., have with that knowledge during an election year. It's funny they have all the representation of the Epstein victims; it's even funnier how every single Epstein victim attorney is a Democrat, including all the judges like Judge Rakoff, a die-hard Democrat. All Democrats and it seems the only ones calling for justice for the 100s of rape and sex trafficked victims are Republicans like Rep. Steve Cohen. Why?

is that still, to this day, whilst the Democratic party has held power in office?

<p>This is related to the injustice to all served in the Jean-Luc Bruneel "investigation" in France. That case should never have been closed, should it, [REDACTED]?</p>
<p>You've been very naughty [REDACTED] and I have given you ample time to do the right thing to no avail. Shame on you that I'm still waiting for that email from Richard Levitt.</p>
<p>Again, Richard Levitt's business partner, unknown to him, made it clear that it's illegal to delete evidence in the voice recording I sent you, so don't you dare delete it as a very trusted third party has had to read it to them and will confirm this. I expect the email to be forwarded to me immediately so I can explain everything that's happened; either way, I will anyway. It's easier with that significant email to hand, which you're refusing to send me. Why is that [REDACTED] Who are you protecting, and why?</p>
<p>David Boies, Stan Pottinger, [REDACTED], [REDACTED], James Marsh, [REDACTED] and Robert Lewis and especially [REDACTED] know precisely what I'm talking about, and I will take great pleasure fully explaining why Macron and [REDACTED] and Richard Levitt I'm addressing you directly.</p>
<p>I added some Coca-Cola cans to my Fight Club photos, as it's the in thing to do now. For example, Rishi Sunak and Kim Kardashian are at it, too, so I thought why not?</p>
<p>It's so weird how Kim K took a dig at our beautiful and cherished Princess Of Wales for minor photoshopping; who cares, as everyone is at it, aren't they? It's peculiar.</p>
<p>Incidentally, wasn't it reported that her mum's partner Corey recently enjoyed a skiing trip with Harry? Aren't they all good mates with Harry and Megan?</p>
<p>We all know Megan is definitely NOT a fan of the Princess Of Wales or the family she married into, so I'm sorry for being awkward here.</p>

<p>I told you all billions of dollars don't make you a nice person. If anything, it makes you a mean old fake bitch. Incidentally, the pot calling the kettle black, seeming as Kim, is just one extensive photoshop, so it's beyond me how, of all people, she or many others can have a dig at photoshopping. Has anyone seen a photo of her NOT photoshopped? Just checking.</p>
<p>Speaking of Coke, and since Alan Dershowitz is a big advocate for original photographs, which I've only ever shared, I added a couple more photos of Adam. There is a nice little white residue in his nose.</p>
<p>Again, I ask where Adam Castellani is?</p>
<p>Adam was NOT on US soil in 2007 and 2008 and [REDACTED] while obstructing justice on the instruction of Epstein, JP Morgan and co, so I ask why has Interpol NOT issued a RED FLAG NOTICE yet on him or others like Ghislaine Maxwell and [REDACTED] who stepped outside of US territory to traffick and rape thousands of children and young women [REDACTED] included?</p>

<p>To the FBI, tuff tuff, your legal skills are appalling. Ghislaine is NOT going anywhere, and if you had done your job correctly and taken the Epstein victims' statement, you would know that the plea bargain isn't worth the paper it's written on outside US TERRITORY. Ghislaine, [REDACTED], [REDACTED] and others are NOT protected under international law to which I have attached a written statement by [REDACTED] that she was with Ghislaine Maxwell and [REDACTED] whilst being trafficked in Paris in 2003.</p>
<p>The Epstein flight logs which are still yet to be released will confirm this too. Why have they not been released yet?</p>
<p>Your shitty illegal US plea bargain that Alex Acosta and Alan Dershowitz wrangled does NOT apply outside US territory, nor does it across US State lines, as every state in the US has different laws; you said so yourself to me, [REDACTED] in front of [REDACTED]. So why did you not use that legal argument at Ghislaine Maxwell's appeal?</p>
<p>So actually, what should happen seeming that this is an INTERNATIONAL SEX TRAFFICKING RING THAT GHISLAINE ETC TRAVELLED OUTSIDE US TERRITORY, WHICH HAS CARRIED ON FOR DECADES; MUST ALL BE INVESTIGATED BY INTERPOL, AND IMMEDIATE INTERNATIONAL ARREST WARRANTS PLACED ON ALL INVOLVED, INCLUDING BILL CLINTON AND ADAM CASTELLANI.</p>
<p>Just to mind f*%k, all the boys at the GARRICK CLUB in London, please send this round to the members there as most of them will all know who [REDACTED] is, and seeming as Jean-Luc Bruneel was the biggest supplier of children and young women to be sex trafficked to her they should all go pale with fear....and so they should.</p>
<p>Why is this relevant to what's happening in Gaza? Because under NO circumstances will RAPE OR MURDER BE USED AS AN EXCUSE TO COMMIT GENOCIDE, STARVATION AND TORTURE, AND ITS THE SAME PEOPLE OVER AND OVER AGAIN AND ITS TIME THEY ARE FINALLY HELD ACCOUNTABLE FOR THEIR CONTINUOUS CRIMES AGAINST WOMAN AND CHILDREN.</p>
<p>I have attached the brilliant and very relevant interview that [REDACTED] and spolid with the Israeli extremist [REDACTED]. Sounds like the female version of Alan Dershowitz.</p>

<p>Again it has been repeatedly confirmed that Netanyahu and Israeli intelligence DID KNOW about the 7th October attack before it happened and did NOT prevent it. FACT! Time will tell exactly what intelligence was indeed provided to them.
 The reality is this: if the JP Morgan trial went ahead like scheduled, which it should have done, Netanyahu and others would be too busy testifying under oath as to their role in the biggest sex trafficking paedophile ring in history.</p>

<p>Dear President Trump, Prince Andrew, Ms Habba, Mr Bretler and Mr Mitchell,</p>
<p>I know I wrote to you all earlier. Still, considering how quickly things seem to be moving, I wanted to update everyone before I go to bed about why all your voters (more than 50% of the US population and people should do well to remember that) and I urge you DO NOT pay a cent to appease Attorney General Letitia James.</p>
<p>The more they kick off, the more you can explain what's happening behind the scenes to YOUR COUNTRY AND MINE (GREAT BRITON, PARTICULARLY SCOTLAND, BECAUSE [REDACTED]</p>
<p>I wonder if The View would interview me again like [REDACTED] so I can share further case developments.</p>
<p>It's funny how it's only quiet on the Epstein front. Why is that everyone?</p>
<p>I have attached what I sent you earlier for everyone to review. I love transparency.</p>
<p>President Trump, can you personally or Ms Habba, Mr Bretler or Mr Mitchell phone [REDACTED] for an explanation as to why they are yet to take my or the Epstein victim's statements and evidence and do an investigation?</p>
<p>There are all these criminal cases and NYPD new investigations, but still nothing on the Epstein front. Is the FBI AND NYPD TOO BUSY WITH OTHER THINGS: [REDACTED]</p>
<p>Have a super evening</p>

<p>I've attached the email you sent me confirming that CBS tried to silence good old Melinda Gates. Isn't she outraged about being such a powerful, strong woman? I'm confused.</p>
<p>I think Gayle and CBS, you have a lot to answer for, and our time will come, but in a court of law where justice prevails, not some dodgy old democratic judges.</p>
<p>And to Rishi Sunak, let me make it abundantly clear to you and your government directly: you will never intimidate me again. Do you understand me, Rishi? I will meet you one day, and I

You are killing democracy in Great Britain, and in time, you too will be personally held responsible for what has happened to [REDACTED] hundreds of other women and children who were raped and sex trafficked.</p>
Rishi?</p>
<p>You, Rishi, will never ever silence [REDACTED] intimidate me for truth and justice and in exposing your governments, the Biden administration and Netanyahu government, do you understand me,

highlight the difference between being raped and sex trafficked to being an exceptionally well-paid escort Epstein long term employee of Epstein or just plain liar with a photo no one has ever seen the original of.</p>
<p>
<p>
<p>My past decision is a blessing in disguise because my chief witness will testify that Jean Luc Brunel was well-known in that industry for being the biggest distributor of Eastern European women into the United Kingdom. Lol, and the British Government thought they would throw Prince Andrew under the bus to hide the God-awful truth. especialy for bloody Never</p>
<p>Here is the big difference between and . IGOR ZINOVIEV IS MY WITNESS WHO INCEDENTLY WAS TRAINED AT CIA HEADQUARTERS AS PER HIS INTERVIEW WITH IN HIS BOOK CONFIRMING MY ACCOUNT!!! GHISLAINE MAXWELL, AND ARE ALL MY WITNESS TOO.</p>
<p>I WAS NOT FLYING AROUND THE WORLD COLLECTING LARGE PAYMENTS FOR SERVICES RENDERED, BOASTING TO ANYONE THAT WOULD LISTEN, EVEN TO THE POOR GIRL WHO SHE JUST SOLD TO EPSTEIN TO BE RAPED AND TRAFFICKED, WHICH INEVITABLY WOULD BE THE DEATH OF HER. YOU CAN CHECK EPSTEIN'S FINANCIAL RECORDS! You can all check for yourselves.</p>
<p>
<p> The FBI was investigating Epstein at this time. Why are those men not being held accountable?</p>
<p>If the FBI had done their job, my and others' lives would be different! Completely different! Do you know how many times I wish I never went to that that night where I was recruited and sold by to Epstein?</p>
<p>WHERE IS THIS VICTIMS FULL STORY? ANOTHER UNTOLD STORY! EXCEPT FOR </p>
<p>More Daily Mail Quotes are below!</p>
<p>VICTIMS TRIED TO ESCAPE BY SEA</p>
<p>While the island might have appeared a heaven on earth, for many of its more reluctant visitors, it was nothing short of hell. Legal filings have described Little St James as just one step in a worldwide web of private flights that ferried sex trafficking victims to London, Paris, Tangier, Granada, St Louis, Palm Beach, Atlantic City and beyond. Some victims were as young as 12.</p>
<p>Trapped on the island, with Epstein controlling all communication with the outside world, one 15-year-old Swedish girl told how in 2005 she was 'distracted and shaking... literally quivering' as Maxwell and Epstein's assistant confiscated her passport and phone, before pressuring her into having sex. She tried to flee by swimming, but Epstein organised a search party and she was recaptured at sea.</p>
<p>Another 'guest' on the island was lured into the sex trafficking web aged 22.
<p>
<p>Remember, he owns a whole island,' said US Virgin Islands attorney-general in 2020. 'So it wasn't a situation where a child or a young woman would be able to just break away and run down the street to the nearest police station.</p>
<p>One alleged victim told CBS News she was raped in Epstein's office and that he had a gun strapped to the bedpost in his bedroom on Little St James.</p>
<p>So Steve, please tell our people to tell Prince Andrew's people and People that not only will he get ALL his military medals back, but Kier Starmer, Grant Shapps and Rishi Sunak will owe a lifetime debt of polishing the nice little Victoria Cross he is going to receive by the time I'm finished with and her people.</p>
<p>They better start thinking of a bloody good excuse to give our beloved King Charles, His Royal Majesty, for him NOT locking them all up immediately and trying them for treason!</p>
<p>I think the funniest story here, and why Prince Andrew should be laughing his head off along with his family, is that he has two women fighting to the death for him, both of whom have never met him, or if one had met one, her hour ended quite frankly 22 years ago and has been exceptionally well paid for services rendered. What a bonkers story!</p>
<p>I look forward to clarifying the difference between and and highlighting that sex trafficking and sex work sadly go hand in hand, as seen with this recent sex trafficking case in Washington, DC. I'll be using that as a case example. So I will have to get more information.</p>

<p>Dear Cyril Ramaphosa,</p>
<p>I know you are very busy with tomorrow's hearing in the ICJ or not, as it's straightforward to prove that the State Of Israel had the intent to commit k kill ing their civilian hostages too. I want to make it clear I hold the United States Government responsible for colluding with the State Of a, including their actions against all of the Epstein victims. </p>

citizens on the 7th of October, which consisted of the elderly, men, women, children and babies. I greatly respect Israel, so please know my defence against the Israeli government must in no way reflect my feelings toward the people of Israel, whom I'm also trying to protect against their Israeli government.</p>

and ways of doing things, and compromises must be made between governments to achieve peace for all civilians.

government on acts of genocide means that, internationally, on public forums and opinions, they have already lost the war and credibility. I also ask that the international court holdâ andâ the leaders of Hamas accountable in the ICJ along with the State Of Israel. Maybe we can get a two-for-one package deal from the ICJ: buy one, get one free.</p>

██████████ I feel that I must speak against the State Of Israel so they can in no way shape or form use ANY rape, sexual assault, kidnapping or being held hostage as PROPAGANDA in a means to justify the killing of 23,357 innocent civilians mainly comprising of woman and children and 59,410 injured civilians. <p>

->IF THEY DO, THE FBI, EPSTEIN ESTATE, ISRAELI AND US GOVERNMENT MUST RELEASE THE FOOTAGE AND VIDEOS OF [REDACTED] THE
100'S AND THOUSANDS OF EPSTEIN RAPE AND SEX TRAFFICKING VICTIMS, WHO WERE YOUNG WOMEN AND CHILDREN.<->
->I UNEQUIVOCALLY STAND BY MY ALLEGATION THAT EVERYTHING WAS FILMED IN ALL OF &EPSTEIN'S &PROPERTIES. AGAIN, I WOULD
LIKE THE FBI, ISRAELI AND US GOVERNMENTS TO PROVE ME WRONG. I ALSO WANT THE TESTIMONY OF THE TWO HUNDRED OTHER VICTIMS WHO ARE AWAITING MEDICAL TRAUMA TREATMENT AND COMPENSATION FOR
BEING RAPED, SEX TRAFKICCKED AND TORTURED.<->

<p>It has also been reported that "147 Palestinians were killed and 243 injured in the past 24 hours. 1.9 million people, or nearly 85% of the total population of Gaza, are estimated to have been displaced from their homes. Only 15 out of Gaza's 36 hospitals are partially functional. This alone is a war crime.</p>

330 Palestinians have also been killed in the Israeli-occupied West Bank over the same period, including 84 children, and nearly 4,000 people have been injured by Israeli security forces during that time".

<p>*The British government has accepted that Israel as an occupying power had a duty under international humanitarian law to provide basic supplies to the people of Gaza.</p>

<p>The admission came when David Cameron, the foreign secretary, urged Israel to remove–barriers on the delivery of humanitarian aid–into the territory that were risking "real, widespread hunger".</p>

[illegible]

<p>“The foreign secretary was at his most critical of Israel in describing the blockages to aid reaching Gaza, saying: “We’re at about 150 trucks a day getting into Gaza, we need to be closer to 500. Every day that we’re not closer to 500, we’re going to have more people going hungry, we’re going to have more people getting disease, there is a danger of there being real widespread hunger. At the moment, something like 90% of Gazans are getting less than one meal a day.”</p>

Mr Ramaphosa, please can you watch this link provided by the BBC below of David Cameron's response yesterday to Israel turning off Gaza's water supply to 2.3 million civilians. I believe this was done straight after the 7th October Hamas attack.

<p>I quote again for Harvard's entertainment.</p>

*<p>"Rule
-----</p>*

<p>Normally, the rule of three contains the following:</p>

*<p>- You can survive three minutes without breathable air (unconsciousness), or in icy water.
- You can survive three hours in a harsh environment (extreme heat or cold).
- You can survive three days without drinkable water.
- You can survive three weeks without food.</p>*

<p>Each line assumes that the one(s) before it are met. For example, if you have a large quantity of food and water yet are exposed to the environment, then the harsh conditions rule applies. The rule may sometimes be useful in determining the order of priority when in a life-threatening situation, and is a generalization (on the rule of thumb), not scientifically accurate.</p>

<p>Additional generalizations may be presented with the rule, though they are not considered part of the "Rule of three" and are also usually not scientifically accurate. For example, it might be said that it takes a three-second psychological reaction time to make a decision during an emergency,</p>

[1] that you can survive 3 minutes in icy water,</p>

[5] that an individual can last three months without hope (or companionship).</p>

[6]</p>

[7]</p>

<p>Accuracy
-----</p>
 <p>### Water<p>
 <p>The amount of time a person can survive without a source of water (including food which contains water) depends on the individual and the temperature. As temperature increases, so does water loss, decreasing the amount of time a person can survive without water. The longest anyone has ever survived without water was 18 days.[8] The source of the "3 days" number likely comes from an experiment two scientists did in 1944 where they ate only dry food for a period of time; one ended the experiment at 3 days in, and the other at 4 days in. However since they stopped the experiment before being in any real danger, the actual survival time at room temperature likely exceeds 3-4 days.[8] However, at temperatures greater than room temperature, dehydration can occur very quickly, and death can occur in a matter of hours rather than days. In these cases people typically die of heat stroke first, not terminal dehydration.[8] One person was purported to survive 7 days in the desert, 6 of these without water, without suffering heat stroke as the temperature reached no higher than 103.2 °F (39.6 °C) during his ordeal.[9] However, he had reached the third stage of dehydration, which is 80-90% fatal; this likely represents an upper limit of survival at high temperatures.[9]</p>

<p>*****This is an emergency appeal to the UN's 4 Permanent Member Countries, 15 Security Council Members, and UN Country Members. Today is a vote in the
Security Council, and please listen to what I have to say before you vote today or sign any agreement.</p>
<p>Our world peace and security is at the tipping point, IN IMMEDIATE DANGER, and I accuse the Netanyahu and the Biden administration of openly blackmailing
not only the very UN itself but abusing rape and sex trafficking victims as political weapons in a global capacity.</p>
<p>I first came forward about my rape and sex trafficking in 2016, whereby I have not only directly worked with David Boies, ██████████ and Stanley Pottinger for
many years as they were my attorneys "representing me" during my litigation, which this day I'm not sure if one deposition was done which is peculiar considering the amount of evidence I have against the perpetrators, I have also spent many years closely studying their
words, and behaviour like a lion waiting patiently for its prey to become afraid.</p>
<p>Murdoch's Wall Street Journal on Sunday, the 17th of December, along with his publication in the New York Post, not only directly implicates Rupert on a global platform but also, Boies, ██████████ etc. and Netanyahu directly!</p>
<p>Please read the article below in the Wall Street Journal and know every word has been carefully chirographed to implement fear, blackmail and threats globally,
ESPECIALLY TO THE UN; this must be taken urgently. I would go as far as issuing IMMEDIATE INTERNATIONAL ARREST WARRENTS for Netanyahu, David Boies, ██████████ Stan, Joe and Hunter Biden, Rupert and Lachlan Murdoch.</p>
<p>*** Due to the current unique circumstances, I would also say that any vote by the United States on this occasion would be considered null and void for the
war crimes committed on every level.</p>

<p>I have attached the photo of the Polish Epstein rape and sex trafficking victim. The lawyers who are representing this poor victim have been carefully selected for
their recent political agenda and have used Rupert's publication as a political weapon to divert attention away from their crimes and to threaten the UN particularly. Please know that none of the Epstein Victims, to my knowledge, ██████████ have been offered
settlement offers of COMPENSATION FOR BEING RAPED AND TRAFFICKED yet, and we are being ultimately denied any knowledge as to what is going on.</p>
<p>It's amazing the power the attorneys have over us. They say jump, we say how high, just like Epstein used to do directly with ██████████ others; the ongoing silence is
already classified as psychological torture methodology. Starvation was used on me, too, back then, as I mentioned in my email correspondence with ██████████ in 2007, to get into FIT, which I have shown along with all my other evidence.</p>
<p>Please understand that we are all utterly desperate for even a slither of news, ██████████ The delay in compensation using starvation methods is being used
to abuse the 150 other victims they have now confessed to representing ██████████ into complicity. This method was directly used in my litigation when they represented me, which is why when I first publicly came forward was, ██████████

<p>The Epstein rape victim whose attorneys, ██████████ and Boies, who have just exploited and politically weaponised, is clear to me, a victim
like many struggling, and the picture used depicts poverty. I would also like to remind all that when they advertised for Ukrainian, Russian and Polish victims, it was made clear from the beginning they would only perceive a once-off PAYMENT OF AROUND \$75 000.
I made a big thing of this right in the beginning.</p>
<p>Incidentally, there is no news coverage on that fact in advertising for Eastern European Epstein victims, so I presume \$75,000 is correct for the payment, which is

<p>The displacement of millions of Palestinians and the decimation of buildings also BREAKS THE OSLO ACCORDS, GENEVA premeditated agenda's and that is definitely not one of peace.</p>

<p>Between now and the end of January allows enough time for the rest of Gaza etc, to bed structurally flattened by the Israeli and US governments, which would result in the displaced Palestinians having no option other than to be taken in as refugees by neighbouring countries DUE TO THE INHUMANITARIAN CONDITIONS because they will have nowhere structurally to go to, unable to farm crops or have access to water.</p>

<p>Once neighbouring countries take in the remaining displaced Palestinians, the Israeli government and the US can build their illegal infrastructure and build settlements in whatever is left of Gaza after approximately three weeks of bombing, which Biden has already confirmed end of January.</p>

<p>Steve: For the most part, her comments are ridiculous and incorrect. I've been doing this 25 years and see deals for 6 months and way more money. To be clear, 18 months is not standard, 12 months is more common and it depends on how much is being paid for the option. If purchasers offer more, they get more time.</p>

<p>About the only thing I agree with is the shopping agt. I proposed that as a show of good faith in case she wanted to be able to shop soon. She may be right about the content being risky but if she only has 1 place to pitch, it certainly doesn't make sense to tie this property up for 18 months.</p>

<p>I will discuss this with < > and let you know, but in the interest of transparency, I am not encouraged. It is late for < > so most likely tomorrow.</p>

<p>I just spent about twenty minutes on the phone with < > who wanted to reinforce or press several points to pass along because otherwise it is not worthwhile to try to arrange a call to go through this agreement.</p>

<p>renewable 18 months periods and nobody has pushed back because 18 months is "customary", and I will add here that most of the options I've been involved with, for film and for TV were for 18 months, so I have no basis for arguing against that point.</p>

<p>She had told us before she made the offer that it was the best offer she can possibly make before getting this set-up complete, so we should really think about it and not accept it if we're not okay with it. We'd discussed it and accepted it. She said that despite your < > suggestion of \$25K as a reasonable offer, she has never seen that much offered as an option, for any deal, many of them involving very visible projects that went on to be highly successful, and although my experience is admittedly more limited than hers, I must agree with her there as well--I had an option with Smokehouse that George Clooney pre-empted saying "this is going to be the next project I direct" and that offer was for \$10K, with 18-month renewable options. Same with Focus Features, for another clients' book with AppleTV for a multi-episode adaptation of another clients' book--and all three of these previously referenced deals had attorneys and co-agents in the Film/TV sphere closely involved. She said Warner Brothers and Universal have never offered \$25K for a licensed book option.</p>

<p>She said the mainstream studios view this specific content as too dangerous for their platforms--she has already been told this by AppleTV and by Amazon, whose CEO is a friend of hers, and the only platform that might well take a risk on developing this is a newish start-up looking to make a splash, like Viacom, where her development deal is.</p>

<p>She said she does not do shopping agreements, because they're of no value when she approaches a studio, as they always want to see the contract.</p>

<p>She is generally flummoxed by your response because she said this is the contract that she gives to all of her clients and it has never raised this many questions or issues.</p>

<p>She says that you have asked for < > to have approval, as opposed to consultation, over the finished product, and felt definitively that nobody will ever give the book author approval. This has been my experience as well.</p>

<p>< > book into the six-episode stand-alone series she outlined to us, but so much time has passed and says she has little or no flexibility on the terms she has offered. The book was not a commercial success, although it received a good deal of coverage, and the fact that Harper UK's lawyers said they could not publish it there reinforces what < > is saying about how the mainstream platforms will all consider it too dangerous. Do we let her go with it to Viacom or do we keep banging our heads against the wall with me as the intermediary. taking in everyone's ire and suspicions when I'm just trying to go with < > enthusiasm vision? Frankly, I am not certain that another producer will come along asking to develop this. I'm sorry I've been cast as the bad guy somewhere along the way but I personally think it's better to have a less than ideal option than no option at all.</p>

<p>I don't think she was saying "take it or leave it" but she was saying she is not going to change it to twelve months or increase the dollar amount or give < > approval rather than consultation, all three of which are simply no-starters for her.</p>

<p>So the question is, are you prepared to walk away?</p>
